

The image is a collage of various fabric patterns. The top left shows five vertical rolls of fabric with plaid patterns in green, brown, teal, grey, and orange. The top right shows several vertical rolls of fabric with various striped patterns in colors like brown, green, and blue. The bottom left shows five vertical rolls of fabric with horizontal stripes in orange, grey, purple, and blue. The bottom right shows several vertical rolls of fabric with complex, multi-colored geometric and abstract patterns. The text "THE HYBRIDS" is overlaid in the center in a large, white, sans-serif font.

THE HYBRIDS

ANZEA.

No FR Additives

Bleach Resistant

Ink/Denim Resistant

No Antimicrobial/Antibacterial Additives

HHI - HPD - REACH Compliant

THE HY

BRIDS

The Hybrids showcase an innovative, patented technology combining polyurethane and silicone. This groundbreaking combination provides a buttery soft hand and superior performance while utilizing cutting edge, environmentally conscious manufacturing processes.
