ENGINEERED FOR PERFORMANCE

Quality.

terra legno welcomes you to the finest precision crafted wood flooring. For centuries wood has proven to be strong and enduring flooring. Introduce terra legno's innovative artisan's craftmanship, a wood floor becomes luxurious and timeless. Craftmanship is a commonly forgotten philosophy lost in today's high technology world. terra legno's manufacturing methods combine the old world artisan's passions and time tested wood working methods with today's innovative technologies. The terra legno difference is making the time to slow the design process down a little. Devoting the time to fully understand your design vision enables terra legno to create infinite edgy, contemporary, and traditional color pallets and textures beyond expectations. terra legno's experience and wood working knowledge ensure your masterpiece floor design is nothing short of perfection. Whether the project is residential or a commercial space, terra legno is dedicated to deliver your specified wood flooring on time and in budget.

Engineered Hardwood Flooring Grades

terra legno offers a variety of grades in wood making for a perfect design— transcending design elements from edgy and contemporary to traditional or rustic decors. terra legno's grades of wood range from a Prime Grade's cleaner sleek look to Vintage Grade's natural character looks.

Prime Grade:
Slight variations of color in the heartwood to sapwood with sporadic mineral markings which can include small solids (filled knots).

Classic Grade:
Contrasting grain and color in heartwood to sapwood with distinct character markings of small to medium knots (filled) and mineral streaks).

Vintage Grade:
Sharply contrasting grain and color variations in heartwood to sapwood with distinct medium to large knots (filled) and characted markings.

Nuevo Classico

Explore the variety and richness of Neuvo Classico European White Oak and American Walnuts. Neuvo Classico's reactive stains, hand-rubbed stains, and fuming finish treatments that showcase today's fashion forward colors and textures.

Methods: Staple / Nail, Glue Down, Staple/ Nail & Glue Assist, Staple / Nail & Glue Down, Float
Areas: On Grade, Below Grade & Above Grade

For best results, wood floors installed by a wood flooring Professional equal to an NWFA Certified Installer

WARRANTIES

Lifetime Structural Warranty
35 Year Residential Finish Warranty
5 Year Light Commercial Finish Warranty
3 Year Commercial Finish Warranty

SHADE VARIATION & COLOR CHANGE

Shade Variance: Natural products like wood flooring have inherent color & shade variations. The degree of variation is related to the species and the grading.

Light Sensitivity: Wood flooring is light sensitive. Over time, the color of wood naturally changes when exposed to light. Natural UV light and direct sunlight results in the greatest amount of change. The lighting in the room can affect the color of the wood floor.

Reactive Stains & Light Sensitivity: Wood species with higher tannins, like European White Oak, finished with Reactive Stains inherently have a higher sensitivity to light and color change.

CERTIFICATIONS:

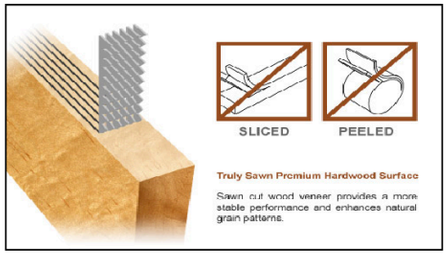
CARB 2 Compliant
FSC on Request
Lacey Act
LEED Potential Credits

Engineered by Design
Designed for Performance

Neuvo Classico unites wood working artisan's traditions with today's finish treatments. Reactive stains, hand rubbed stains with fumed treatments all working naturally reacting with the wood's tannins bringing to life the woods grains colors and texture.

NUEVO CLASSICO FINISH & WEAR LAYERS

Neuvo Classico's sawn faced wear layers with NeoTech UV Polyurethane Finish advanced technology finish merge the craftsmanship of old world, wood working artisans' with today's lifestyle innovations. NeoTech's UV-Oil base coats work as a foundation penetrating the wood's grain's structure protecting the wood from within, then two polyurethane with aluminum oxide top coats which provide layers of wear resistant surface protection to the UV-Oil base coats. Terra legno's proprietary NeoTech finish is ideal for both residential and commercial spaces offering a timeless look of high maintenance hard wax floor with low maintenance and abrasion resistance surface for today's more demanding lifestyles. NeoTech Finish is safe for our environment, and not harmful to one's health because it is formulated low / no VOC materials. Terra legno wood floors are Carb 2 Compliant and have no harmful formaldehyde content.



Solid Hardwood = 4mm Wear Layer
