

RETRÒ

Retrò is a semi-aniline leather stocked in more than 10 colours. It's a full grain leather tanned with a firm hand.

Retrò leather is treated with a special technique that gives it a shiny appearance and a slightly bi-coloured effect, because of this Retrò was a pleasantly antique appearance which is well adapted even for the most modern ambiance.

Custom Colors Available

MAINTENANCE CLASSIC

- Avoid placing leather in direct sun
- Keep the leather away from direct heat
- Dust regularly with a soft and dry cloth
- Spots can be cleaned with a lightly damp cloth and mild soap
- Dry immediately after the treatment
- Do not rub. Use a light circular motion working toward the centre of the stain

CLEANING CLASSIC

The following guidelines will help you to maintain the beauty of Leather Classic without destroying any of the natural characteristics:

Dry carefully the area , and use one of the following methods.

Pre-testing on a hidden area.

Power cleaner

The system consists of a protective treatment of the leather through the Cream, a periodic cleanliness with the Light Cleaner sold in comfortable wipes, and a product, the Power Cleaner, that remove the recent difficult spots like ink, lipstick, etc.

4 Leather cream

4Leather Foglizzo Cream is a water based protector suitable for sole leather flooring, sole leather paneling and for all leather types, except nubuck and suede leather. It provides excellent protection against oil, water and alcohol based stains as well as helping to resist the effects of every day soiling.

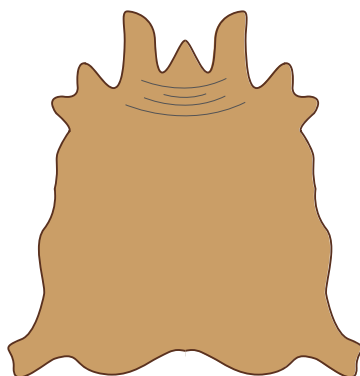

Light cleaner

4Leather Foglizzo Light Cleaner is a detergent for dirt, it is especially suitable for cleaning sole leather flooring, sole leather paneling, leather armchairs, sofas and all types of leather except nubuck and suede.

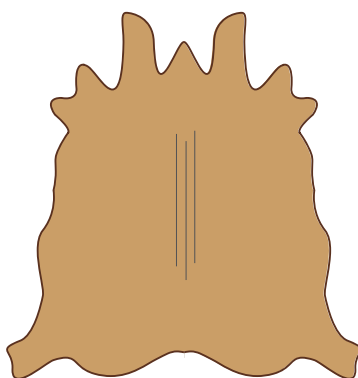

Power cream

4Leather Foglizzo Power Cleaner eliminates stains pen marks, ink and lipstick from smooth leather.
Do not use on nubuck or suede.
