

INSPIRATION  
GUIDE

**fräsch!**

V.01

—  
1

*He who lives  
in harmony  
with himself  
lives in harmony  
with the universe.*

— MARCUS AURELIUS

---

OUR VISION IS TO CREATE  
HARMONIOUS SPACES THAT  
INSPIRE CREATIVITY &  
PRODUCTIVITY.

# OUR VALUES

Being **Design-Centric** means understanding the needs of the evolving work environment.

**Innovative** approaches to enhance the workplace and the experience of our customers.

Being **Conscious** in our commitment to all our stakeholders.

**Bold** in our desire to manufacture solutions that create value.

**Respectful** in all facets of our business and how we face the world.

**Honesty** through our people, processes, and materials.

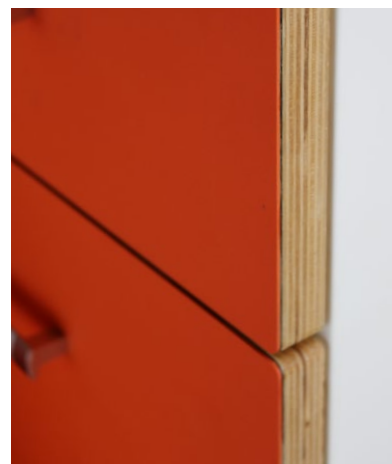

Partners: Gary, Steve, & Slavi

# WHY FRÄSCH?

OUR PURPOSE IS  
TO MAKE GREAT  
FURNITURE THAT  
INSPIRES GREAT WORK.

Fräsch is a conscious furniture manufacturer focused on the intersection of design, value, and wellness, offering fresh sustainable solutions to enhance the workplace. We're aware of the impact furnishings have on the environment, and we strive to design products that reduce waste and have a life cycle strategy.

*Out of clutter,  
find simplicity.*

— ALBERT EINSTEIN

## WALL ART

—  
Beautiful and unexpected  
acoustic panel designs.  
Customizable and modular.

## STEP

—  
A dual-height, communal table  
for work or collaboration.

## STÜL

—  
Finally a cool Stül! A felt-finished  
stool that is durable and  
optimized for sound absorption.

## SOLO

—  
A clean, minimal, adjustable-height  
workstation for comfortable sit/stand  
productivity.

## TRIG

—  
A mobile locker to follow you on  
your journey through the office.

# CABI

No muss — no fuss! A handy, lockable storage with casters and an extra seat.

# DUO

Clean, smart, and beautiful. Two height-adjustable workstations with shared power and cable management.

# ORGANIZERS

Reclaim your desk space and get organized. Just hang these on a back panel.

# TAUR

Storage galore for your open space with this lockable cabinet. Doubles as a tackable surface and divides work areas.

## CHIPS

—  
Beautiful and unexpected  
acoustic panel designs.  
Customizable and modular.  
Comes in many sizes and colors.

## SOLO

—  
A clean, minimal, adjustable-height  
workstation for comfortable  
sit/stand productivity.

## HOUZ

—  
A storage system designed for open desking areas  
where privacy and acoustics are deeply valued.  
Designed to store a pedestal cabinet.

## Q U A D

—  
One table or many? Multiple adjustable surfaces in one simple table design.

## M A T T

—  
A stackable, comfortable, modern metal stool. Always have an extra seat ready.

BELL

Acoustics can come from unexpected places. A source of light and echo control, made from FELLA felt.

TIVI

Mobile, adjustable monitor stand to enhance any presentation space

COLLA

Make the best ideas come freely and easily. Collaborate sitting or standing at a beautiful conference table with built-in power and casters for added mobility.

DRAFT

A comfortable drafting-height task chair with lumbar support, movable armrests, and a foot ring.

## LEXI

When it feels right, time flies. A lounge chair perfect for the more relaxed work environment.

## NUMO

A side table with endless possibilities. Adjustable-height surface with the lift of a handle.

## CELI

Relax and reflect. A beautifully-molded shell chair with an upholstered seat cushion.

## PEBBLE

Put your feet up! Rounding out our comfort collection is our pouf. Premium fabric, inviting shape, relaxing feel.

## TULI

A textured, nature inspired lamp shade with sound absorbing properties.

## FIN

A multi-purpose table with endless possibilities. Adjustable-height surface with the lift of a handle.

## STÜL

Finally a cool Stül! A felt-finished stool that is durable and optimized for sound absorption.

## LYSA

Streamlined design that integrates and complements any modern office interior.  
Clean, functional, and beautiful.

## TULI

A textured, nature inspired lamp shade with sound absorbing properties.

## EGG

Personality is not just permitted but deeply encouraged with this piece. A playful, yet functional shape that creates a private oasis in an open space and provides ample sound absorbing properties.

## HUTT

Renew your senses by taking a pause. No matter how bright and airy the office at times, what you need is to quiet the mind with a few deep breaths. Find the center within, recharge, then return to your very best!

# M E L O

with Bluetooth speaker

—  
The sounds of summer rain or a drum line filling up your space, allowing for deeper focus without creating a distraction. Cleverly hidden in acoustical wall art, easily pairs with any Bluetooth device.
