MAINTENANCE-FREE GRANITE

SENSA - CRESCENT VEIL

WHAT IS SENSA?

Unique natural stone. A product of Cosentino, custom designed and installed by Lowe's®.

Sensa Maintenance-Free Granite is a premium, high-quality granite that offers reliable performance with a 15-year transferable warranty.

The partnership between Lowe's and Cosentino provides you the opportunity to custom design your Sensa Granite countertop project. Each kitchen or bath project is unique and designed specifically for you.

COSENTINO

Cosentino Latina, located in Vitória, Brazil, is the factory that enhances what nature has created. Starting at the granite quarry, Cosentino Latina carefully selects the highest quality stone, then cuts and enhances each stone block into a one-of-a-kind slab. It is committed to creating innovative materials and offering high-value solutions to the world of architecture and design. Cosentino prides itself on following a strict criteria of aesthetic excellence that results in maintenance-free, elegant surfaces with an exotic, yet subtle, touch.

SENSA ADVANTAGES

- Excellent stain resistance.
- Certified and approved for direct contact with food.
- High performance and quality with a guarantee from Cosentino.

OTHER GRANITE

SENGUARD PROTECTION

SenGuard is a proprietary stone treatment that is used to protect Sensa granite from staining. SenGuard is not a sealer and bonds to the granite surface differently than sealers. The SenGuard treatment, unlike common sealers, allows the stone to breathe by anchoring to the stone lattice while preserving the stone's natural, beautiful color for years to come.

CRESCENT VEIL

ORIGIN: BRAZIL

POLISHED

Organic slices of cappuccino colored agates subtly accented with pewter striations and ruby black constellations form this classic stone. Crescent Veil highlights ebonized wood finishes, soft pewters, polished nickel and natural white oak. Accents of creamy marble and glazed tiles make the most of this rich stone.
