SIMPLY BETTER FLOORING™

INFINITY

—LUXURY WOVEN VINYL—

Infinity Luxury Woven Vinyl is the perfect hybrid between a hard surface and soft surface floor covering. Our product provides a cleanable top surface that is heat bonded together with a high-density cushion backing system, giving it both the durability and comfort that is highly desired in the market today. Our fabric, cushion, and lamination are all 100% made in the USA, an aspect of our company that we take great pride in. Our vertical integration allows us to make sure every piece of the puzzle fits, giving you the best quality product, every time.

APPLICATIONS

- Retail
- Hospitality
- Healthcare
- Commercial Offices
- Transportation
- Public Venues
- Education
- Fitness
- Spas
- Gyms

7 BENEFITS THAT SET INFINITY APART

1) Durability

Stays sturdy and dependable, even in the highest traffic areas.

**TARR Rating: ASTM D5252 Passes for Heavy Commercial 12,000 cycles at 5.0.*

2) Maintenance

Stain resistant and antimicrobial, so it can be cleaned quickly and efficiently.

**The recommended cleaning procedure is a Hot Water Extraction cleaning system to effectively clean deep in the woven vinyl in a timely manner*

3) Health

Secludes airborne particles for improved air quality. Infinity Luxury Woven Vinyl is easily sanitized and quick to dry, so cleaning Infinity is fast and effective.

4) Safety

Extremely slip-resistant due to low profile nature.

**ASTM: 1028 Exceeds the Standards*

5) Acoustics

Proven to reduce noise levels in the noisiest of environments, improving communication and perception.

**The Impact Insulation Class is 62 for our Flooring Product compared to other flooring types. The higher the numerical rating, the greater the sound insulation. VCT typically range from 15 to 20. The results for Rubber Range from 15 to 30. Carpet IICs rang from 35 to 50.*

6) Comfort

Equipped with a cushioned backing that provides extreme support for fatigue and protection from impact due to slip and falls.

7) Indoor and Outdoor Product

The floor covering has a 10 year UV/Fade Limited Warranty.

** Light Stability Indoor/Outdoor Application ASTM F1515: Pass: 300 Hrs. - 5.0 gray scale rating.*

Available in 8x10, 6x9, and 5x8 sizes.
Custom sizes are available upon request.
Visit infinitylww.com to view the entire area rug collection and get yours today!

BACKING OPTIONS

Infinity's Luxury Woven Vinyl™ face fabric attaches directly to a vinyl cushion backing system. This unique vinyl-on-vinyl construction sets Infinity apart by making LWV more resilient and better-suited for a range of environments, indoor and outdoor. Infinity's backing is fast-drying, anti-bacterial, and anti-microbial, making it the safest and cleanest option for your area.

“Our students absolutely love it because there’s enough of a cushion that it’s comfortable as you’re walking, but yet there’s a texture that makes you not feel like you’re walking on hardwood floor”
