SOLID RIGID CORE

MONARCH
premium click down planks & tiles

MONARCHX
featuring an attached pad

SOVEREIGN
commercial & residential click down flooring

WATERPROOF • LIFEPROOF • FOOLPROOF

Adore[®] Floors, a leader in industry innovation, introduces Regent™ Solid Rigid Core, a new flooring category that elevates today's standard in high performance resilient flooring.

Constructed on a single, homogeneous layer, Regent's™ Solid Rigid Core unites unprecedented

strength, dimensional stability and damage resistance to create an outstanding solution for commercial and residential space.

Regent's Solid Rigid Core combines the unusually high polymer content with beautiful visuals, under heat and pressure, to form solid planks; an

adhesive-free manufacturing method that results in greater core density than LVT, LVT Click or hybrid composites, and contributing to greater peel and delamination resistance, water resistance and rigidity.

SOVEREIGN

commercial click down flooring

7.0" x 48.0" nominal plank dimensions
12.0" x 24.0" nominal tile dimensions
6.0 mm total thickness
4.0 mm core gauge
22 mil (0.55mm) wear layer
Luxurious 1.5 mm attached IXPE pad
Industry-leading click down installation
Duramond™ surface enhancement
Orthophthalate-free construction
100% recyclable after use

Planks - 10 planks / 23.75 ft² (nom.)
Tiles - 12 tiles / 24.00 ft² (nom.)

15 Year Commercial Warranty
Lifetime Residential Warranty

MONARCHX

featuring an attached pad

5.9" x 48.0" nominal plank dimensions
12.0" x 24.0" nominal tile dimensions
4.8 mm total thickness
3.5 mm core gauge
12 mil (0.3mm) wear layer
Class-leading 1.0 mm attached IXPE pad
Industry-leading click down installation
Duramond™ surface enhancement
Orthophthalate-free construction
100% recyclable after use

Planks - 16 planks / 31.51 ft² (nom.)
Tiles - 16 tiles / 32.00 ft² (nom.)

10 Year Light Commercial Warranty
Lifetime Residential Warranty

MONARCH

premium click down planks & tiles

5.9" x 48.0" nominal plank dimensions
12.0" x 24.0" nominal tile dimensions
3.8 mm total thickness
3.5 mm core gauge
12 mil (0.3mm) wear layer
Industry-leading click down installation
Duramond™ surface enhancement
Orthophthalate-free construction
100% recyclable after use

Planks - 16 planks / 31.51 ft² (nom.)
Tiles - 16 tiles / 32.00 ft² (nom.)

10 Year Light Commercial Warranty
Lifetime Residential Warranty

WATERPROOF

SOLID, HOMOGENEOUS WATERPROOF CORE WITH WATER RESISTANT IXPE PAD. LIFETIME WATERPROOF WARRANTY

LIFEPROOF

DAMAGE RESISTANT, IMPACT RESISTANT, INDENTATION RESISTANT, IMPROVED HEAT AND LIGHT RESISTANCE AND FORTIFIED WITH DURAMOND™ SURFACES LAYERS.

FOOLPROOF

RIGID CORE, GREATER DIMENSIONAL STABILITY, NO ACCLIMATION IN MODERATE TEMPERATURES, FASTER INSTALLATION TIME, ACCURATE PROFILING AND STATE-OF-THE ART LOCKING SYSTEMS.
