

Flooret.

A BETTER WAY TO BUY FLOORS

WWW.FLOORET.COM

40 Mil Wear Layer

Twice the commercial standard thickness.

FloorScore Certified

Safe for your indoor air quality.

SPC Core

More stable than standard LVP, allowing it to withstand more extreme temperatures and run longer distances.

Ceramic Bead Coating

Scratch resistant and anti-microbial.

EIR Texture

Texture matches the print, adding more realism.

Enhanced Bevels

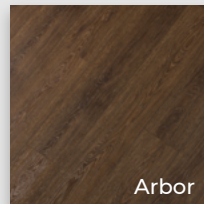

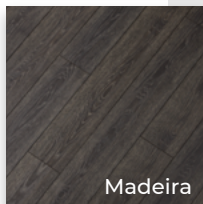

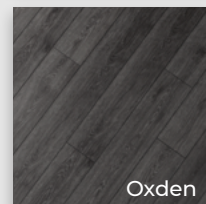

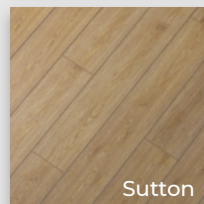

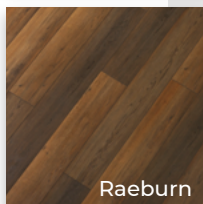

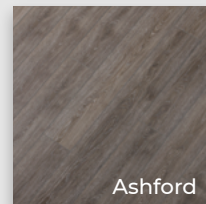

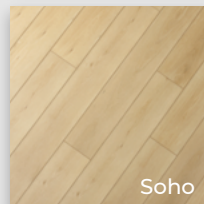

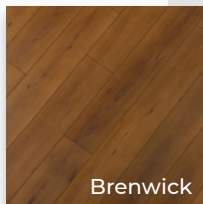

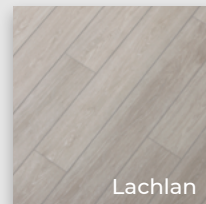

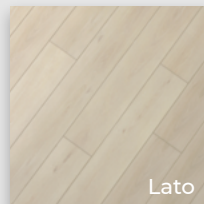

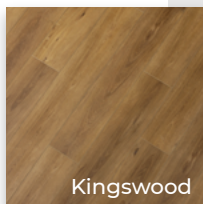

Deeper bevels which mimic real wood.

Pre-Attached Underlayment

Quieter, softer, more insulated floor that also helps mitigate minor subfloor imperfections.

Low Repetition Print Films

Reduced overall pattern repetition.

Arlo Signature

Modern and spacious. A light gray wire-brush—
the perfect canvas for any contemporary space.

Why Flooret?

Direct Pricing Without the Middleman

When you buy directly from us, you avoid costly markups from importers, distributors, and showrooms. This means better floors, for less.

Industry-Leading Products

Thicker wear layers, longer planks, more unique designs. Our model allows us to bring cutting-edge specs to the market months, and even years, before the local showroom.

\$199 Nationwide Shipping

Our network of warehouses and thousands of local terminals ensure fast, friendly delivery coast to coast.

Multiple Sample Sizes

Need to see a larger sample? We can ship you full-length planks to help you get a better idea of how your project will turn out.

45-Day Return Policy

Open a box and change your mind? It happens. For the cost of return shipping, we will take back your order, no questions asked.

Dedicated Customer Support

Our experienced team is here to help you pick colors, to answer technical questions, and to coordinate the shipping and installation of your floor.

Recommended Installers

We'll help you find an installer if you need one!
