

THE WORLD'S TOUGHEST WOOD FLOOR

Real Wood Flooring for High-Traffic
Commercial Spaces

nih-dree

When our founder Barry Brubaker was a young boy, he lived in the rolling hills of Virginia near a historic farm that bred racehorses. The farm's name was Nydrie. Years later, Barry used that name as inspiration for his company and modified the spelling to Nydree, recalling the combination of performance and beauty that each horse on the farm embodied.

The company began in 2001 with the acquisition of Gammapar, and grew when it acquired its primary competitor, PermaGrain, in 2003. Today, Nydree is a company driven by a passion to create the best of the best in wood flooring and walls by fusing the properties of strength and style.

Many of the company's staff members have been here for generations, honing the craft of acrylic-infused wood. Using Nydree's proprietary technology, this team creates wood flooring and walls from multi-ply, marine-grade Baltic birch, marine-grade adhesives and a 1/10-inch-thick layer of acrylic-infused wood. We invented our manufacturing process in 1963, and we continue to perfect it every day. The results can be seen in hotels, stadiums, universities, stores, corporations, museums and other public spaces all over the world.

We invite you to learn more about the many products within our collections. Contact us today for samples or to discuss your projects and needs. Together, we can make a beautiful and lasting impact.

What is Acrylic Infused Wood Flooring?

Acrylic infused is unlike any other wood flooring. Our product is real wood with the added strength of acrylic infusion throughout the top layer resulting in a product that is up to 300% more durable than standard wood flooring. Our proprietary technology allows our flooring to be used in some of the most prominent high-traffic projects in the world. Our engineered construction uses a multi-ply marine-grade Baltic birch, glued with marine-grade adhesive, topped with a 1/10”-thick acrylic infused wood wear layer.

Acrylic infused wood is made from natural wood that is infused with acrylic resin for a stronger, tougher floor. We invented the process in 1963 and continue to perfect it. See the below illustrations for a look at our patented manufacturing process.

1. Wear layer is coated with a specially formulated Nydree Pedestrian Cured Urethane/Ceramic Oxide Finish featuring AC4 durability rating for extreme abrasion resistance (Modified EN13329)
2. UV-cured Finish is Benzophenone free. (This chemical is being removed from UV-cured finishes in Europe due to the emissions it causes in the cured film.)
3. 1/10” real wood wear layer infused with liquid acrylic.
4. Multi-ply marine-grade, exterior plywood substrate for superior water resistance and stability.

Nydree Flooring products are designed to last.

Superior Hardness
Nydree hardwoods are up to 300% harder than natural hardwood. Nydree hardwoods have up to 300% more indentation resistance than natural hardwood.

Industry’s Best Finish
Our Pedestrian 2.0 Benzophenone free finish is rated at over 4,000 tabers for unmatched wear resistance. Independent tests show our finish surpasses all other wood flooring finishes when it comes to scratch and wear resistance.

Global Materials, American Craftsmanship
Sourced from the highest quality materials and wood species from around the world, Nydree flooring is designed, assembled and finished right here on US soil to create a product that’s worthy of its reputation for superior performance, delivery and installation.

Environmentally Responsible
Our 1/10” thick wear layer uses 1/6 of the virgin wood per square foot of area compared to conventional 3/4” thick strip flooring. Our flooring is FSC and FloorScore Certified.

Dimensional Stability
Our engineered construction means less expansion and contraction movement than conventional 3/4” strip flooring.

Lower Life Cycle Costs
Compared to natural wood flooring, terrazzo, or commercial sheet vinyl, Nydree products are significantly less expensive to own over the life of the installation. Contact your Nydree Flooring Sales Professional for details.

The Nydree Manufacturing Process

Container Vacuumed

Kiln-dried hardwood veneer is loaded and sealed within a container. A vacuum is pulled on the container to remove the air entrapped within the wood's pore structure

Filled/ Infused

Liquid acrylic plastic (methyl methacrylate), which contains dyes, crosslinker and heat-activated catalyst, then fills the container. The container is pressurized, forcing the liquid acrylic into the pore structure of the wood. This is the infusion process.

Depressurized & Drained

The container is depressurized and the excess liquid is drained off to be recycled.

Exposed to heat

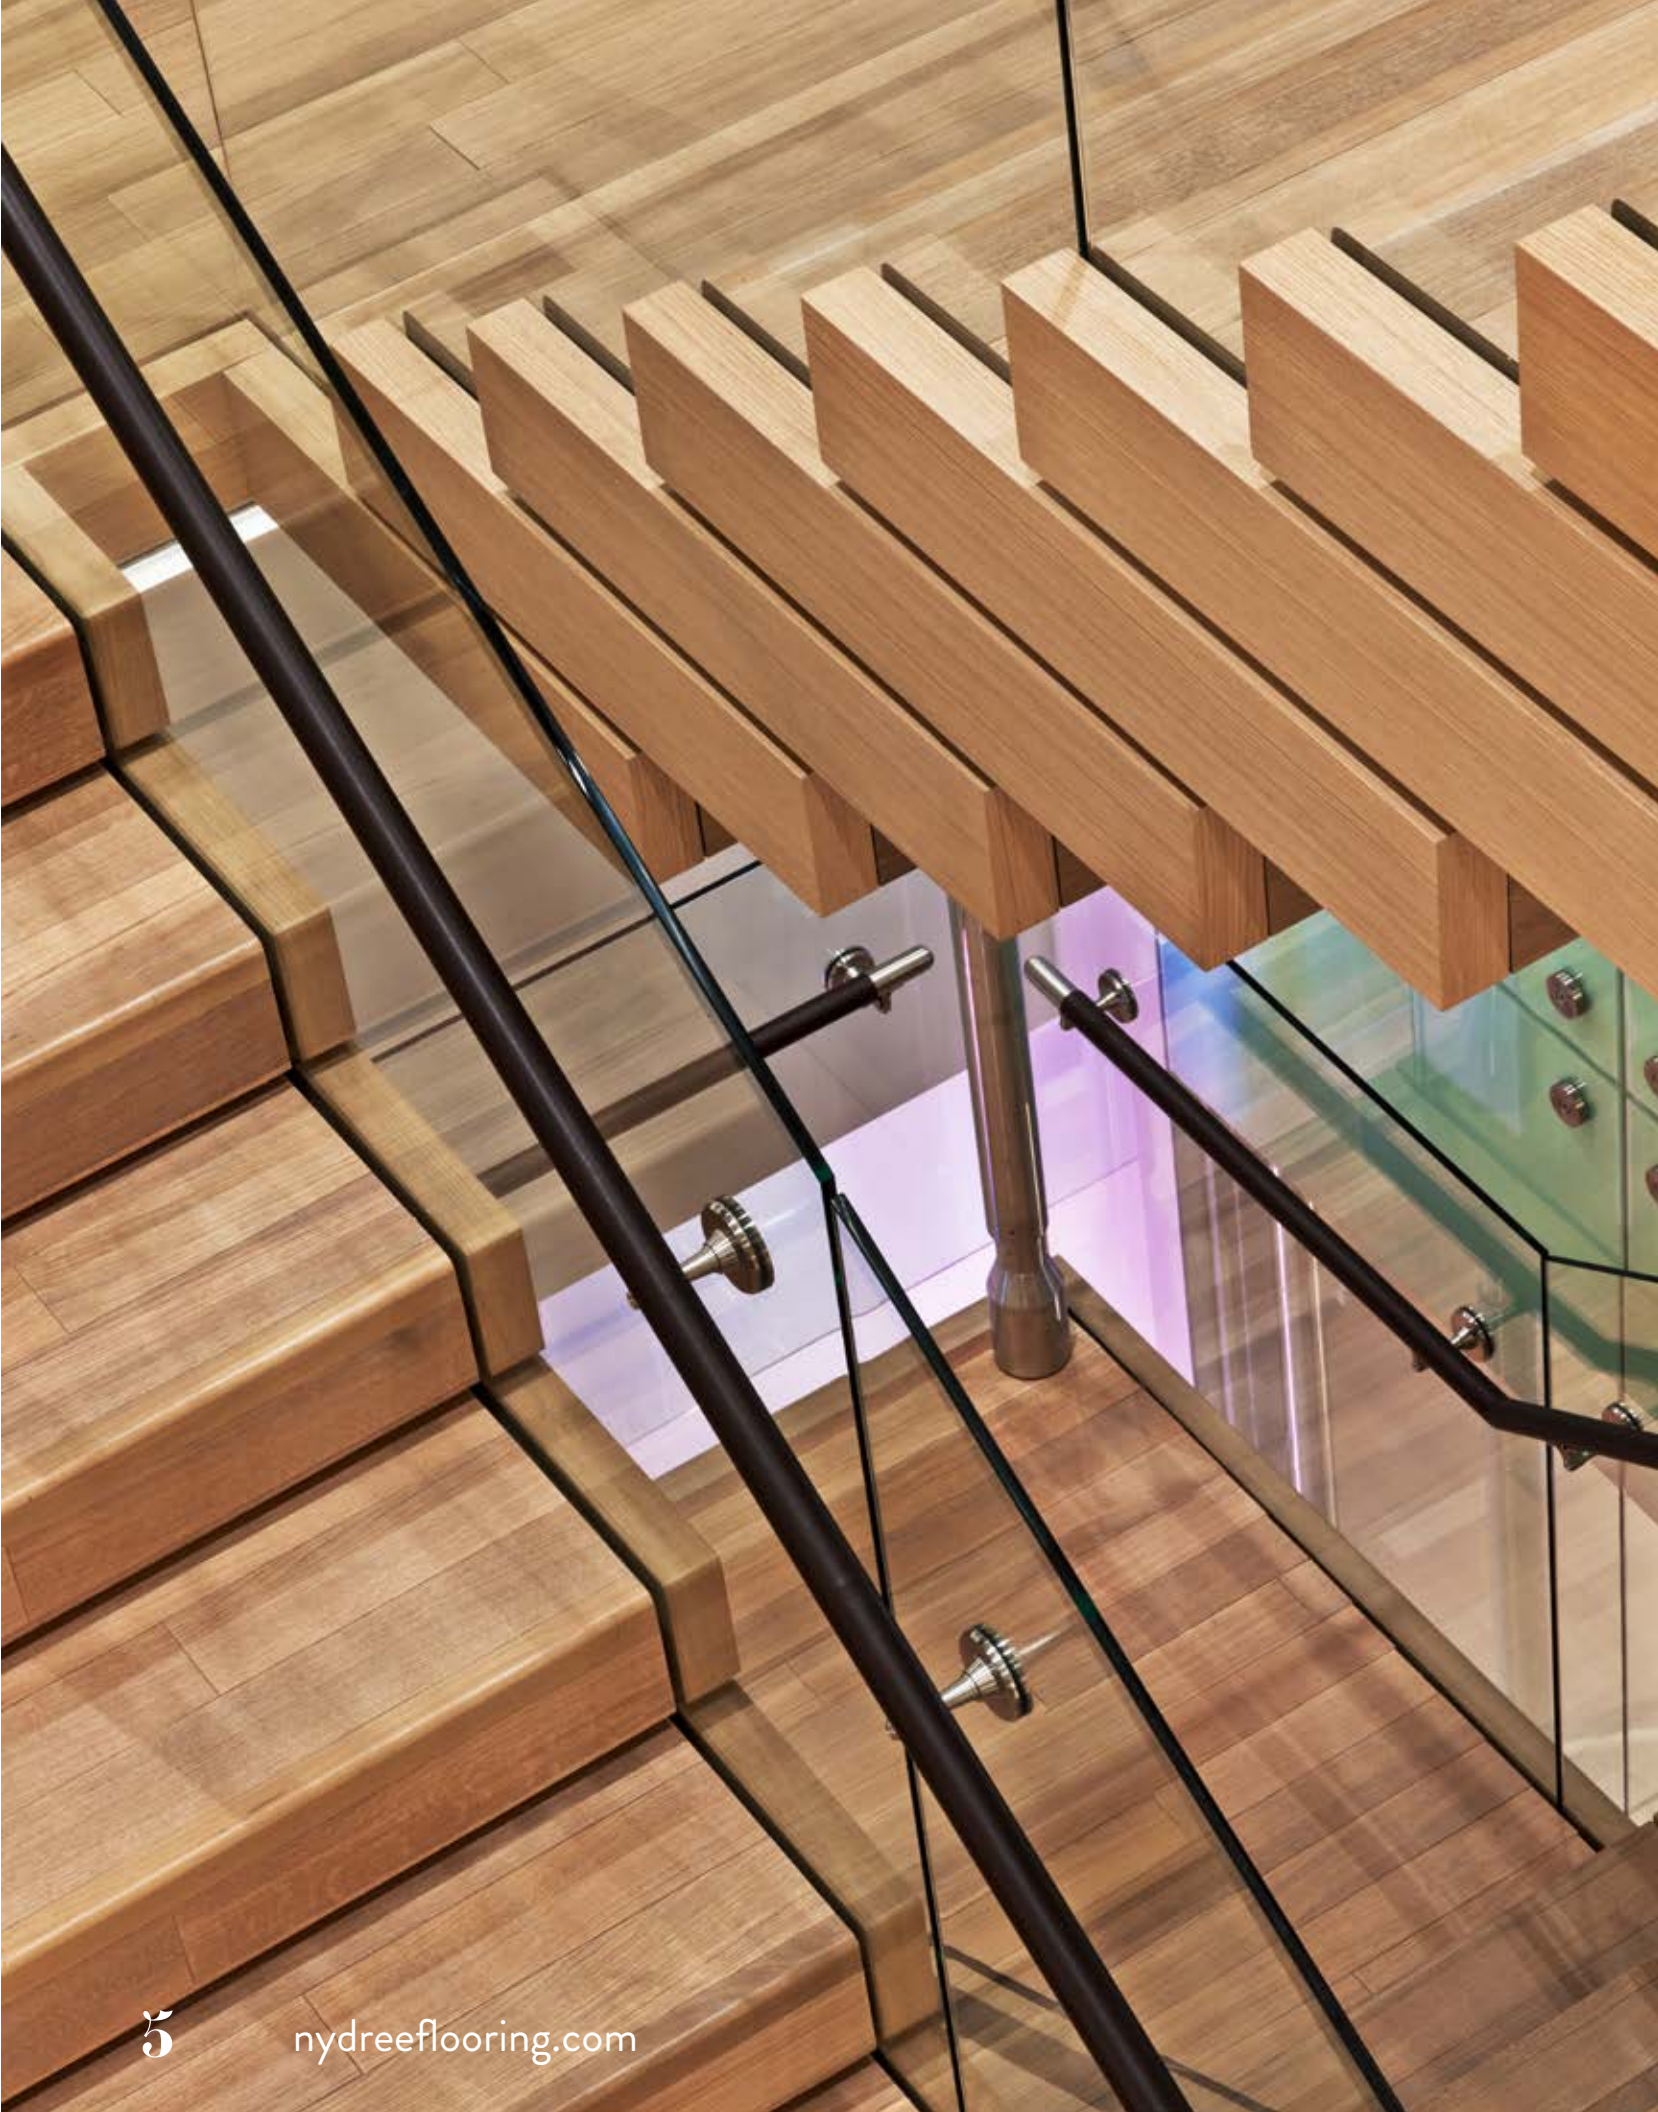

The container, filled with wood holding liquid acrylic within its pore structure, is exposed to heat.

Hardened

As a result of this exposure to heat, the catalyst is activated whereas the liquid acrylic has hardened to a solid plastic within the pore structure of the wood. The cured plastic is very similar to Plexiglas®.

Trees are like snowflakes - no two are alike.

Because we use real wood from real trees, the unique colors and variations of grain naturally found in wood are beautifully apparent. Please do not specify a floor based solely on the swatches shown here. We offer free samples that will provide a basis for color variation among color and species.

For more detailed information on installation, maintenance and sub-floor conditions, please visit us online at nydreeflooring.com

Product Specifications

	Standard Widths	Wide Plank
WIDTH*	2.67" (67.7mm) 4" (101.6mm) 5.25" (133.4mm)	7.5" (190.5mm)
THICKNESS	All Widths – 7/16" ACTUAL 0.430" (10.92mm)	All Widths – 9/16" ACTUAL 0.540" (13.72mm)
LENGTH*	12 to 47" random (304.8 to 1193.8mm)	18" to 95" random (457.2 to 2413mm)
	Fixed length double-end grooved for Herringbone/Patters. Any length 14" to 16"	
	Fixed length double-end grooved 45° Chevron: See price list for available lengths.

Custom Color Options

Matched to your color.

Imagine hardwood flooring that's infused with color and acrylic, designed to last up to three times longer than regular hardwood. That's what you'll get with Nydree: a wood floor specifically matched to any shade you specify, with a construction and finish that performs through the most high-traffic areas.

Nydree's acrylic-infused wood flooring is up to 300% harder than natural wood, and independent studies show that our finish surpasses that of all other wood flooring when it comes to scratch and wear resistance. And now it's available in custom colors to serve as a design element within any commercial setting.

At Nydree, our team includes in-house experts who are trained in custom color creation. They've made one-of-a-kind products for some of the world's most renowned design firms, including Gensler, WATG, Perkins+Will, HOK, and many more.

Thanks to our state-of-the-art color matching technology, designers can submit a paint, fabric or furniture swatch, or even a piece of art to specify a color. Talk to your local Nydree rep today, and you can start making your vision a reality.

Your design.
Your reputation.
Your client's brand.

*They all need
a strong foundation.*

HANDCRAFTED COLLECTION

Nydree's Handcrafted Collection is real wood with the added benefit of acrylic infusion. Each plank is touched by one of our expert in-house craftsmen to create an unparalleled look that cannot be matched by high production distressing machinery. The design intent of this product is a subtle, naturally worn look that is perfect in any setting.

Bohemian Walnut

Handcrafted Collection

Species: Walnut
Infused Color: Natural
Topical Stain: White Paint
Available Width: 2 2/3", 4", 5 1/4"
Finish: Smooth + 25% Face Planed, Pedestrian 2.0

Sea Salt

Handcrafted Collection

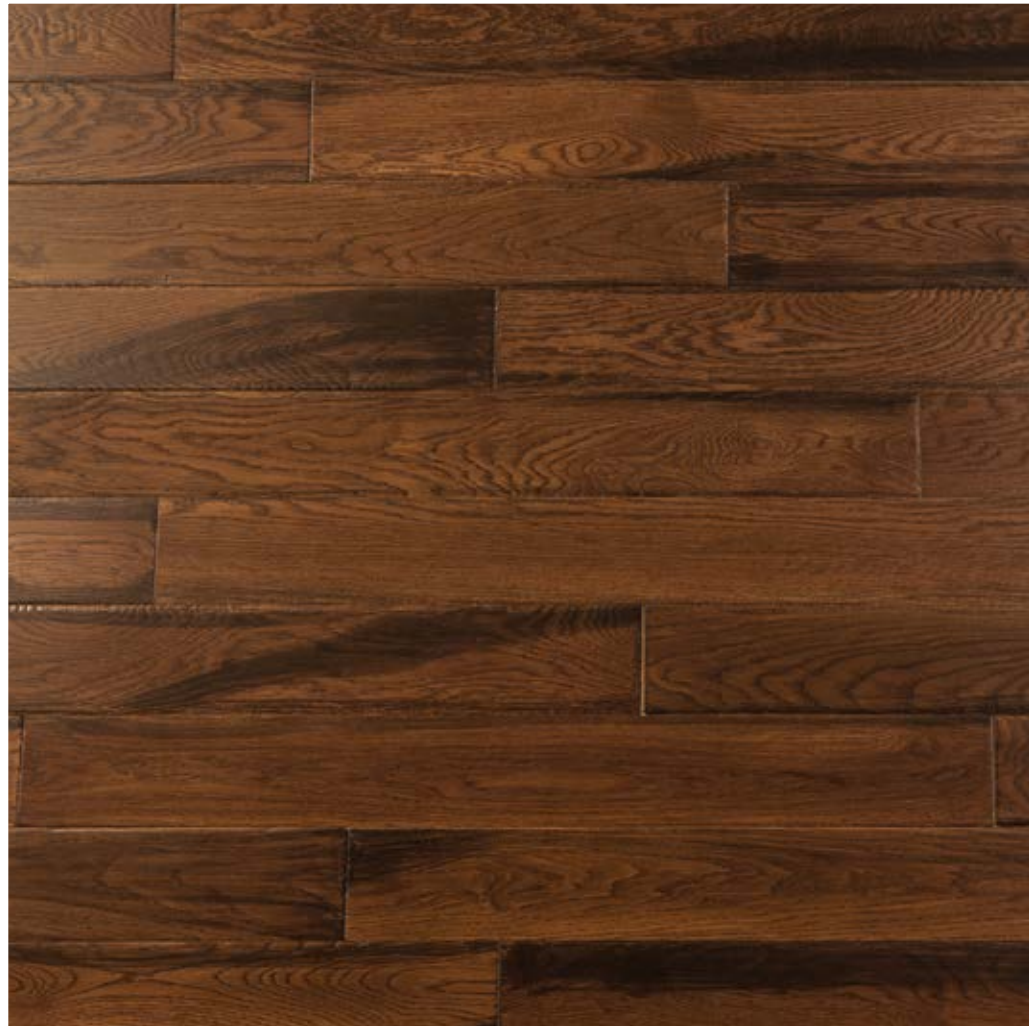

Species: Plainsawn White Oak
Infused Color: Natural
Topical Stain: Swiss Oak
Available Width: 2 2/3", 4", 5 1/4"
Finish: Smooth + 25% Face Planed, Pedestrian 2.0

Cold Brew

Handcrafted Collection

Species: Plainsawn White Oak
Infused Color: Natural
Topical Stain: Medium Spice + 40% Oxidation
Available Width: 2 2/3", 4", 5 1/4"
Finish: Smooth + 25% Face Planed, Pedestrian 2.0

Ombre

Handcrafted Collection

Species: Walnut
Infused Color: Natural
Topical Stain: 40% Oxidation
Available Width: 2 2/3", 4", 5 1/4"
Finish: Smooth + 25% Face Planed, Pedestrian 2.0

Sandbar

Handcrafted Collection

Species: Plainsawn White Oak
Infused Color: Natural
Topical Stain: Honey White + Gray Paint
Available Width: 2 2/3", 4", 5 1/4"
Finish: Smooth + 25% Face Planed, Pedestrian 2.0

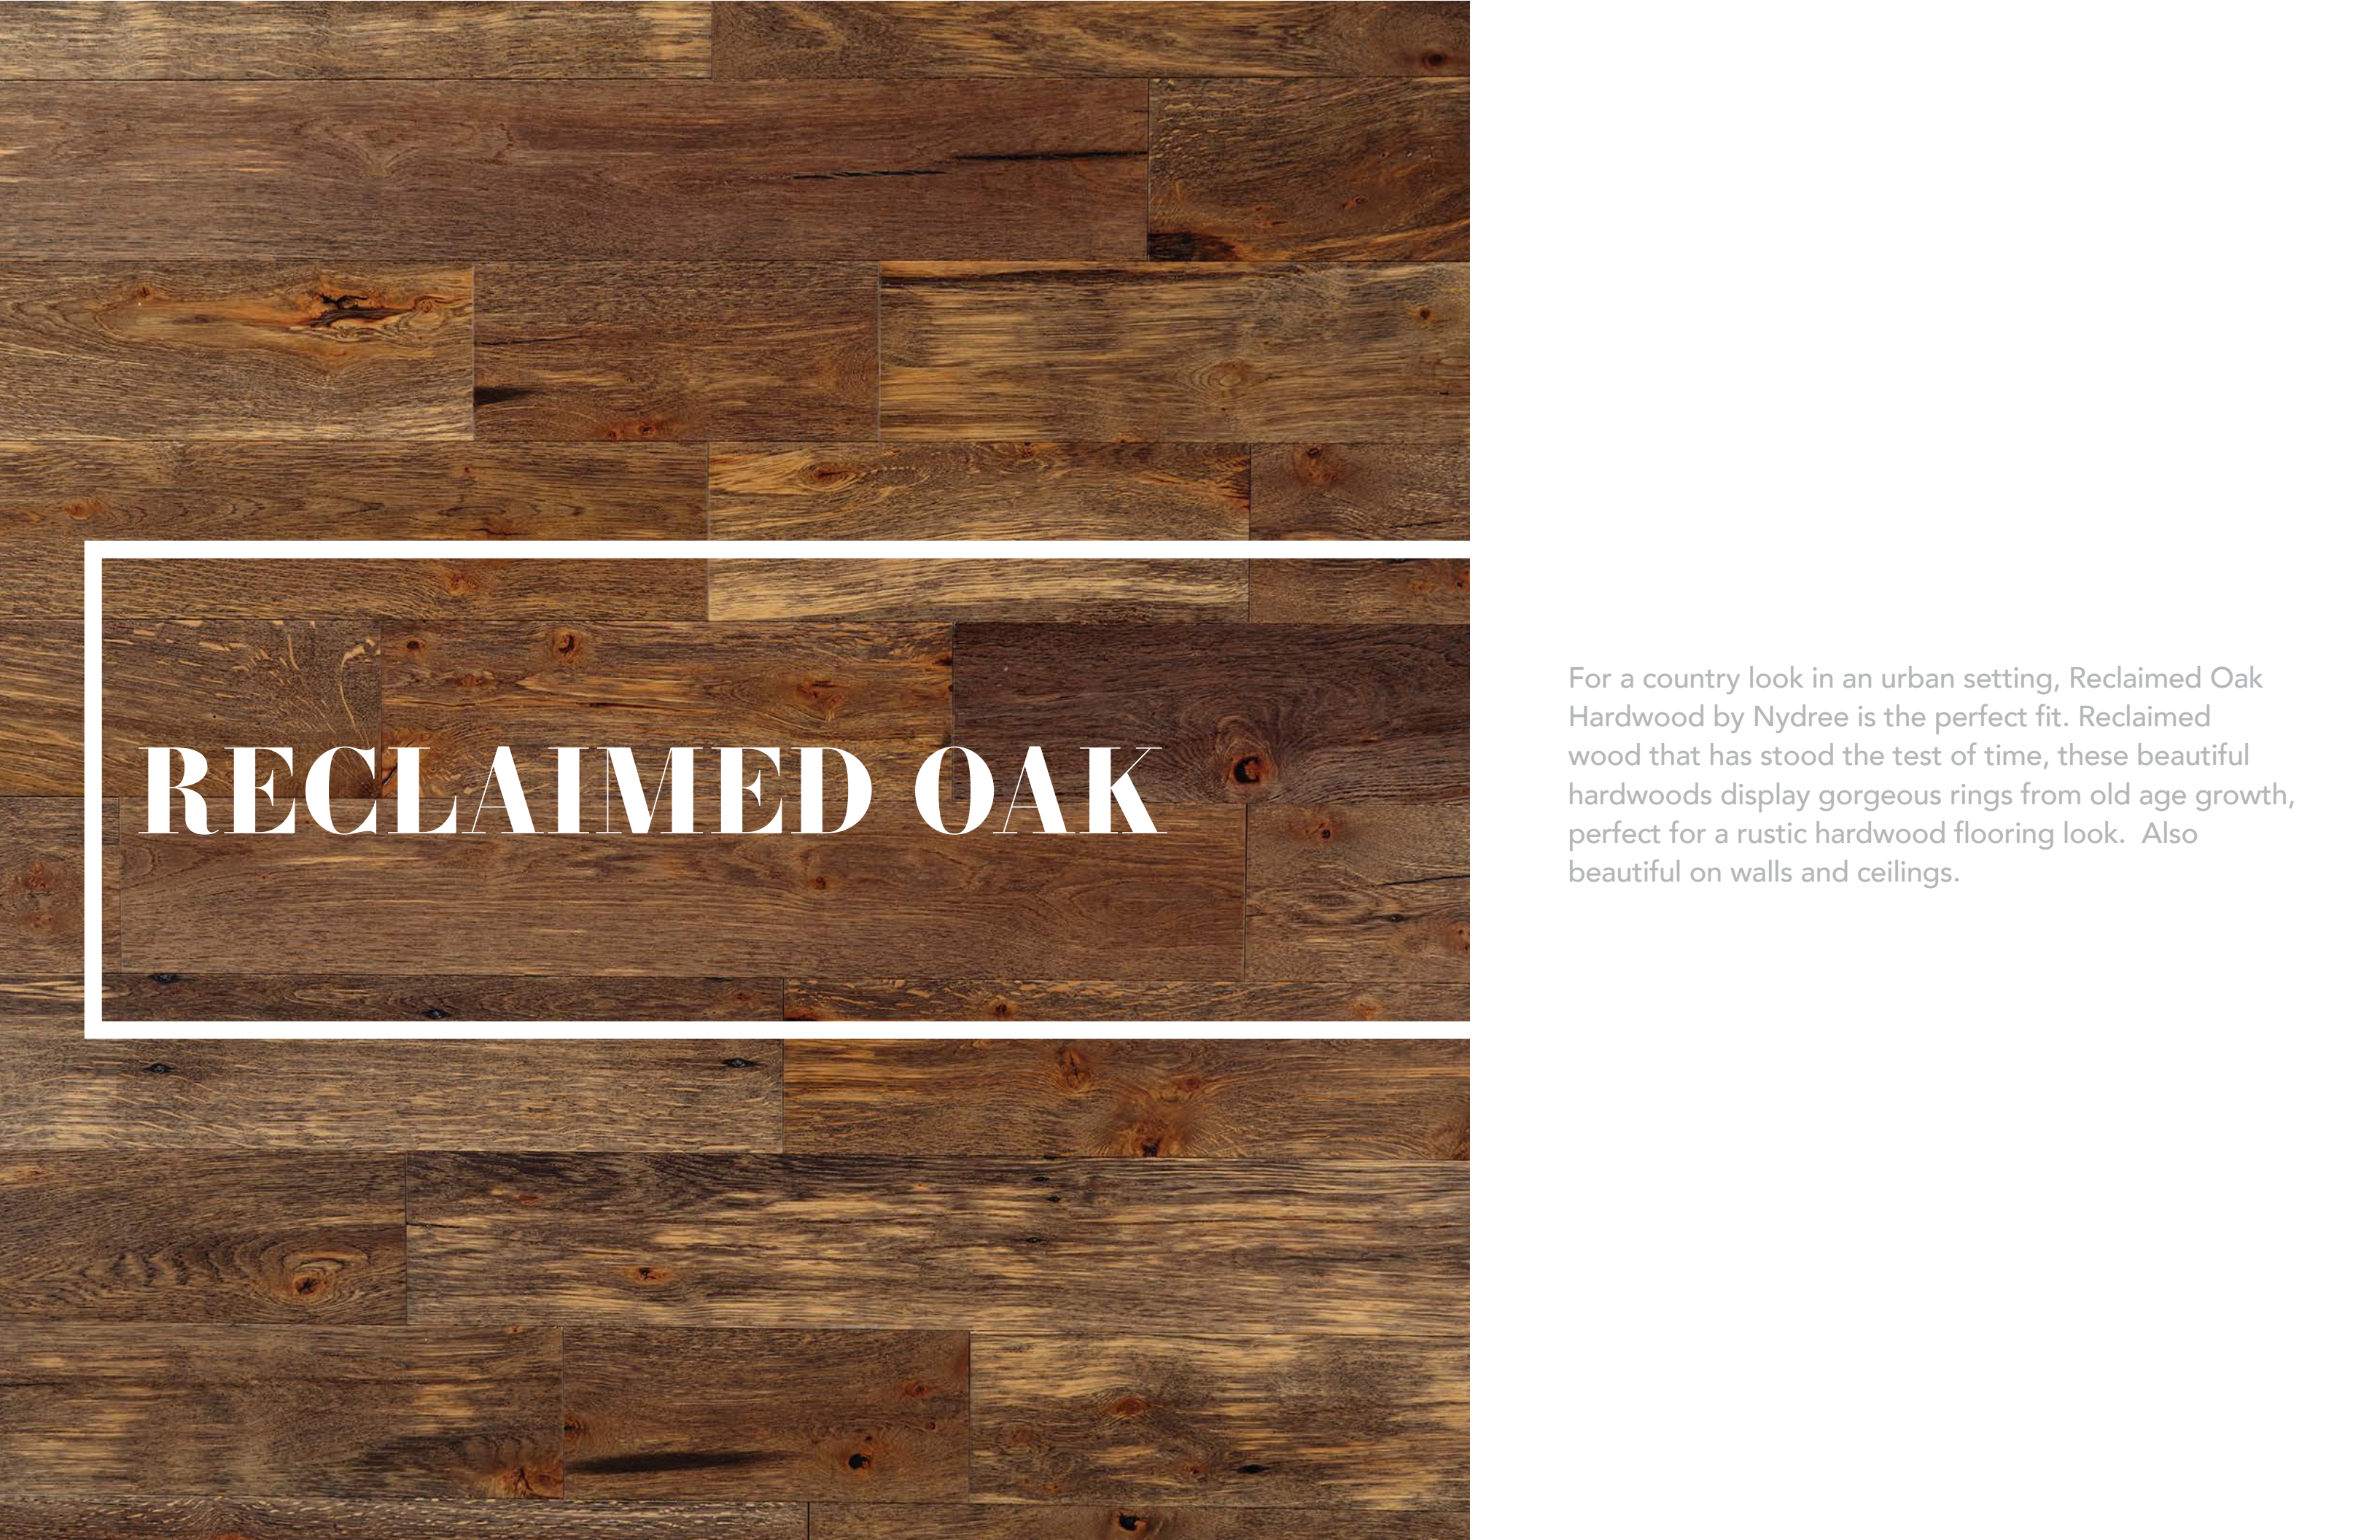

Winter Surf

Handcrafted Collection

Species: Plainsawn White Oak
Infused Color: Natural
Topical Stain: Winter Surf + 40% Oxidation
Available Width: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

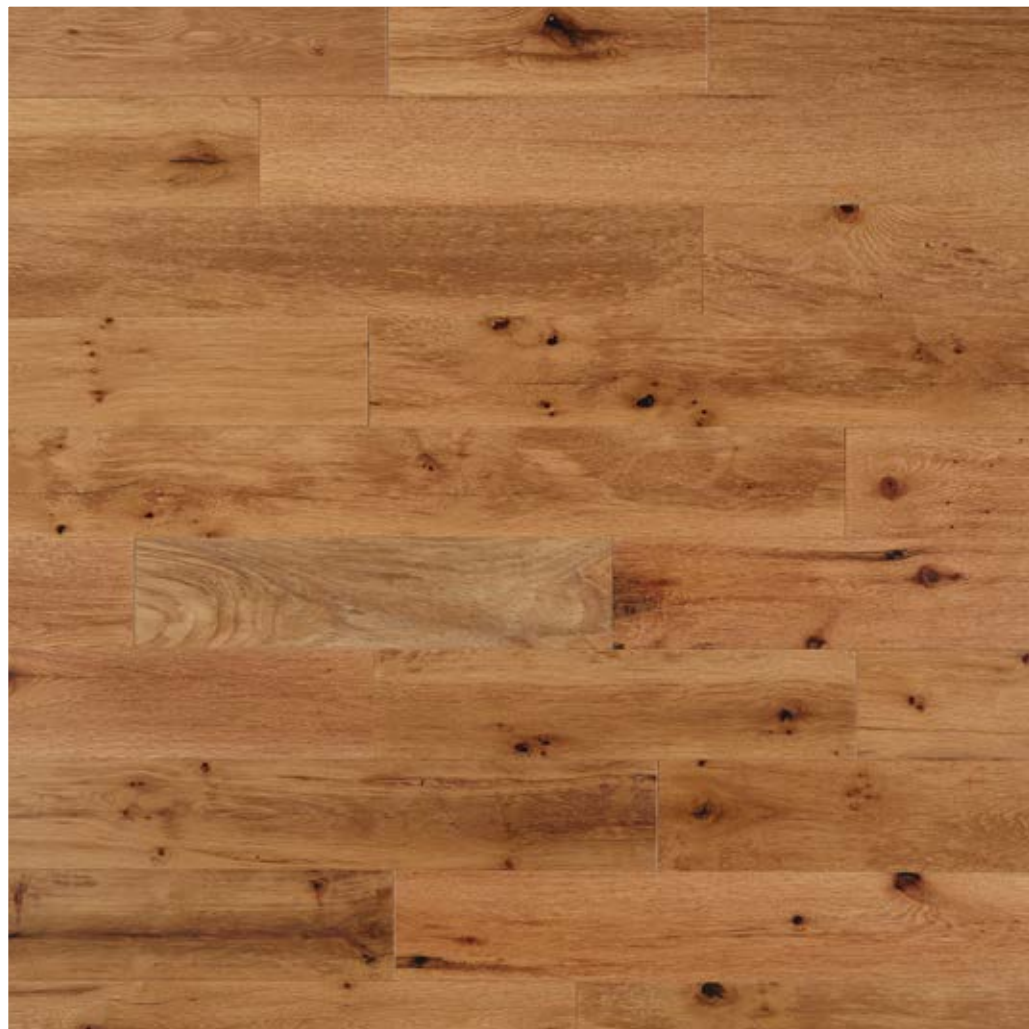

The background of the entire page is a close-up, horizontal view of reclaimed oak wood. The planks are arranged in a staggered pattern, showing a variety of brown tones from light tan to dark, almost black, charred areas. The wood grain is prominent, with many knots and natural imperfections visible.

RECLAIMED OAK

For a country look in an urban setting, Reclaimed Oak Hardwood by Nydree is the perfect fit. Reclaimed wood that has stood the test of time, these beautiful hardwoods display gorgeous rings from old age growth, perfect for a rustic hardwood flooring look. Also beautiful on walls and ceilings.

Natural

Reclaimed Oak

Species: Reclaimed Oak (Red & White)
Infused Color: Natural
Topical Stain: N/A
Available Widths: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

Walnut

Reclaimed Oak

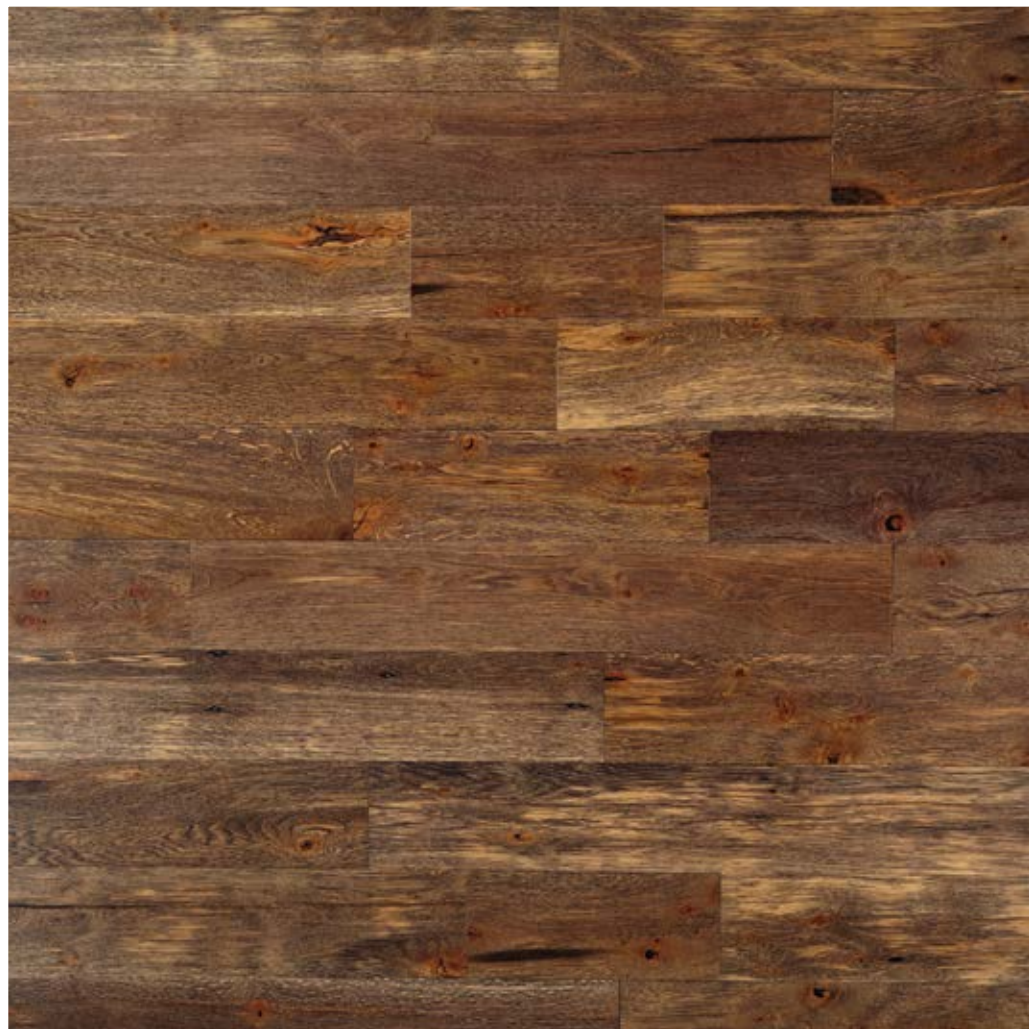

Species: Reclaimed Oak (Red & White)
Infused Color: Walnut
Topical Stain: N/A
Available Widths: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

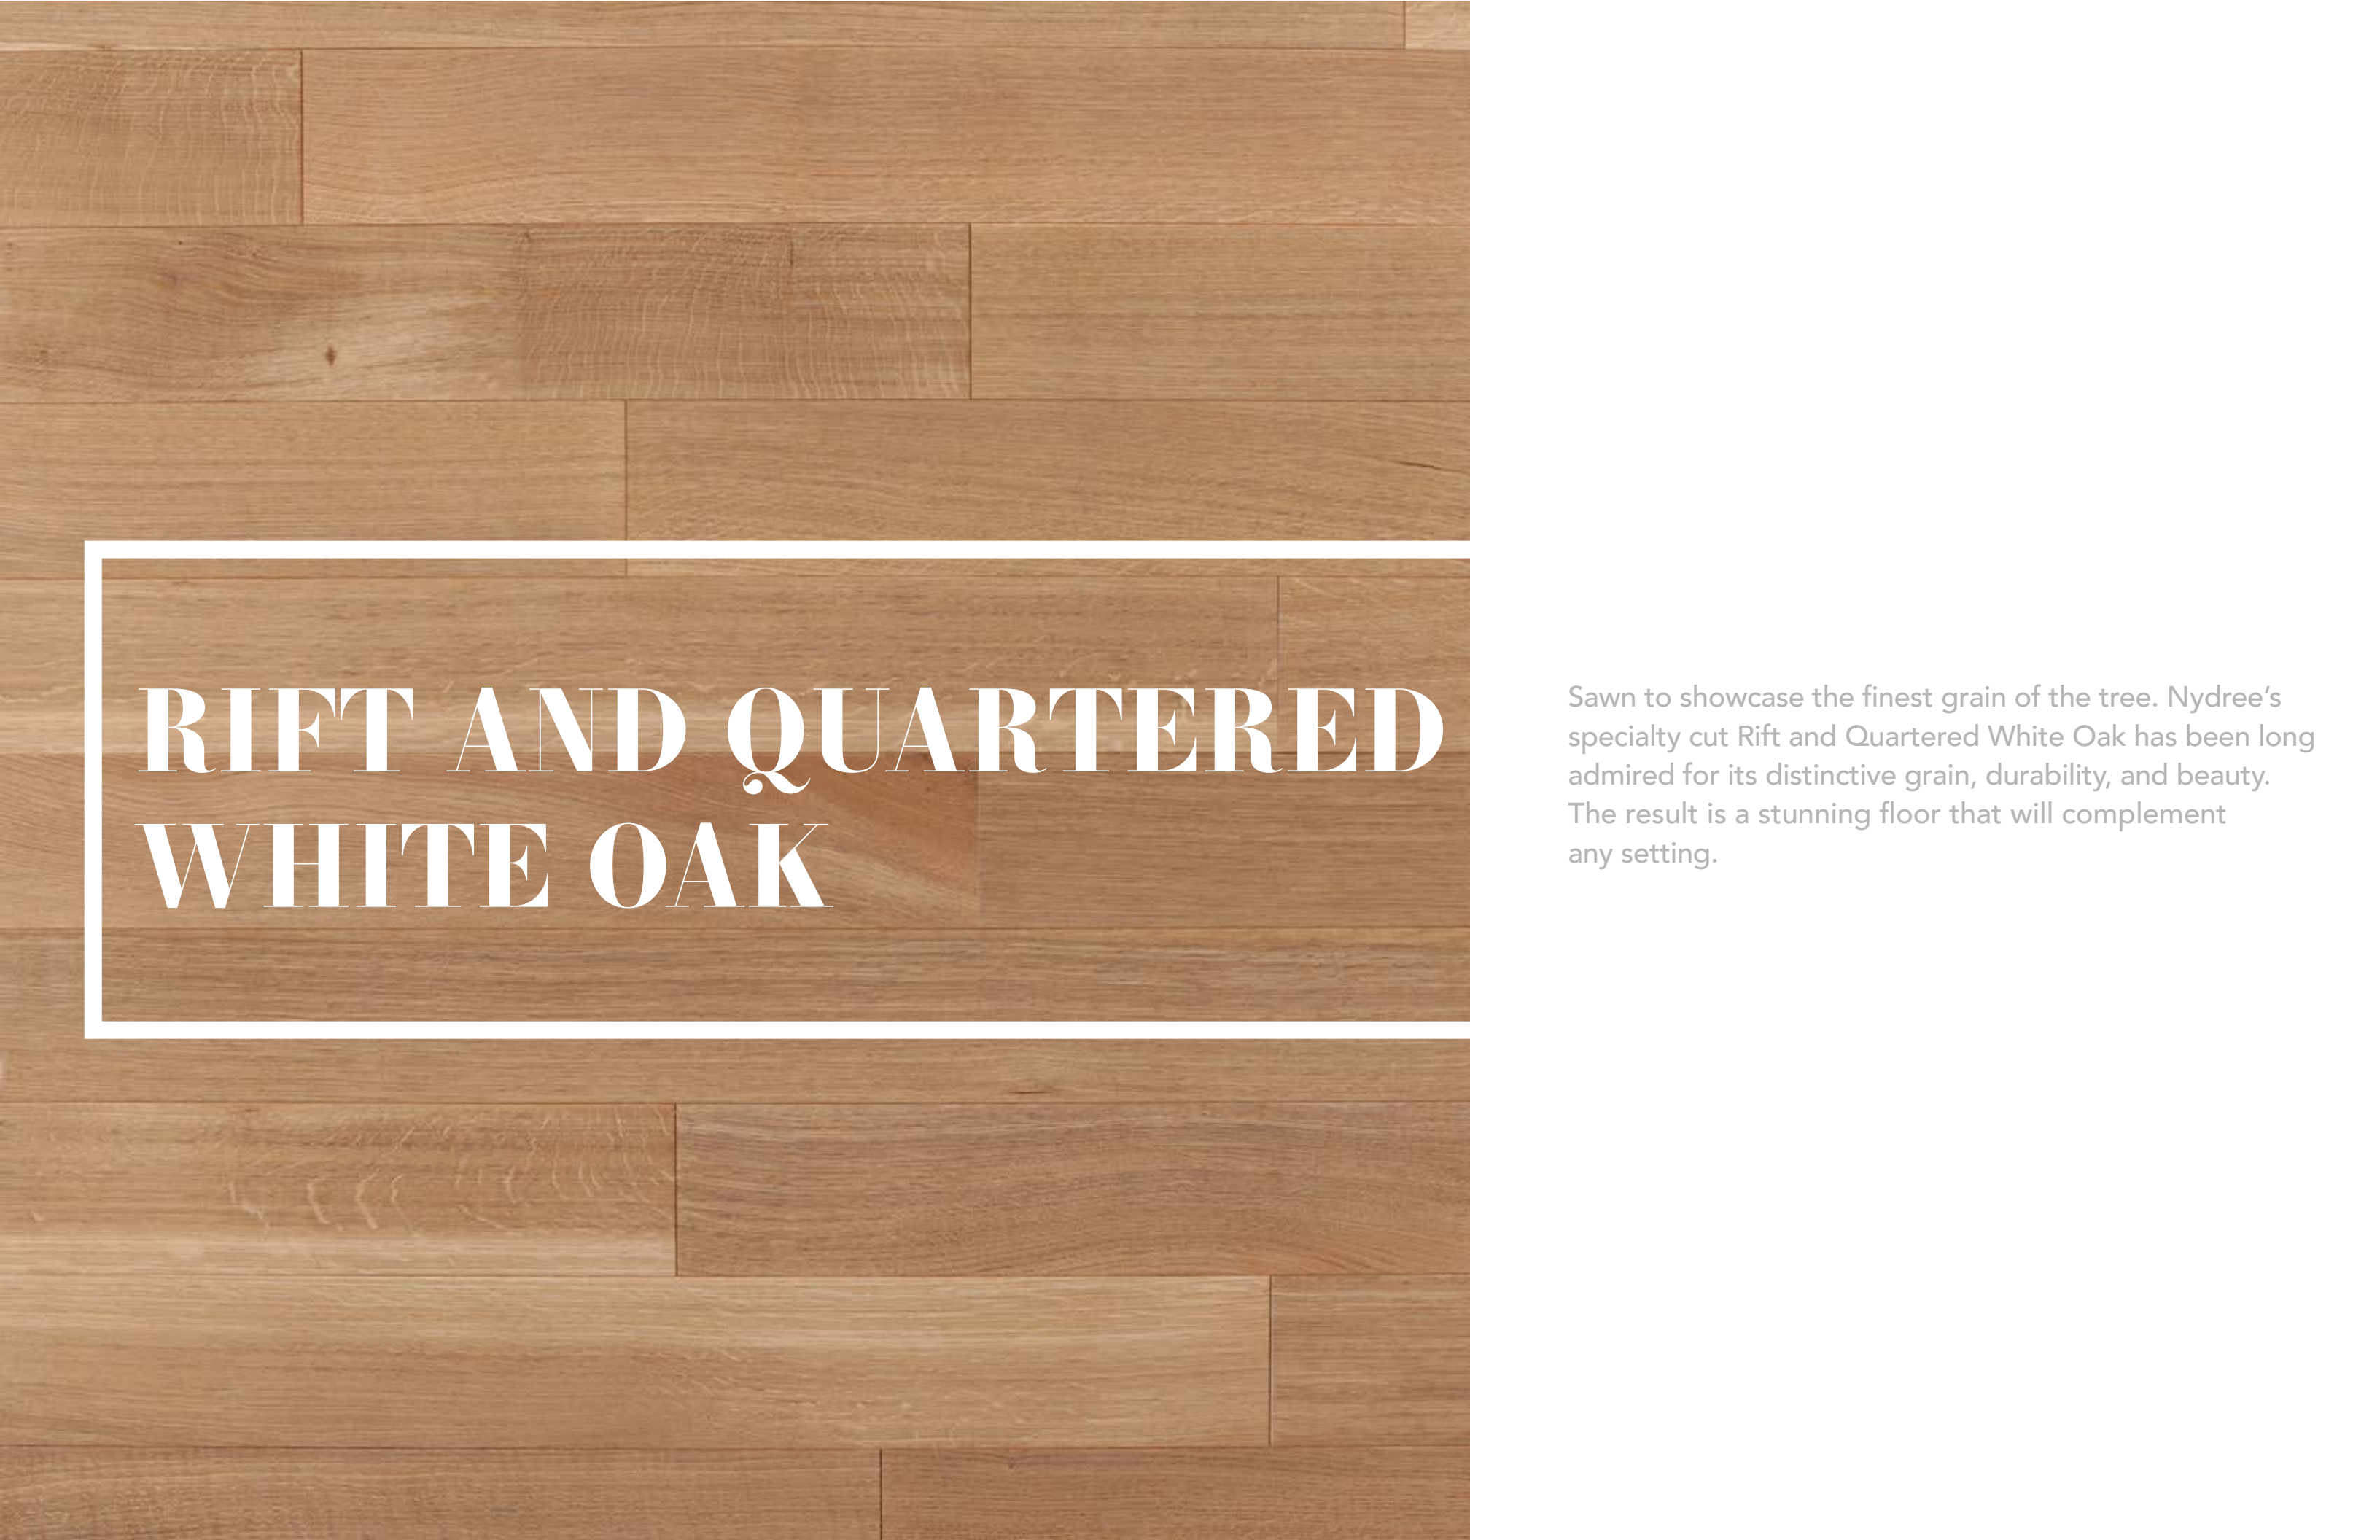

Cashmere Gray

Reclaimed Oak

Species: Reclaimed Oak (Red & White)
Infused Color: Oxford
Topical Stain: N/A
Available Widths: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

The image shows a close-up of a wooden floor made of Rift and Quartered White Oak planks. The planks are arranged in a staggered pattern, showing the natural grain and knots of the wood. The color is a warm, light brown. A white rectangular border is overlaid on the left side of the image, containing the text.

RIFT AND QUARTERED WHITE OAK

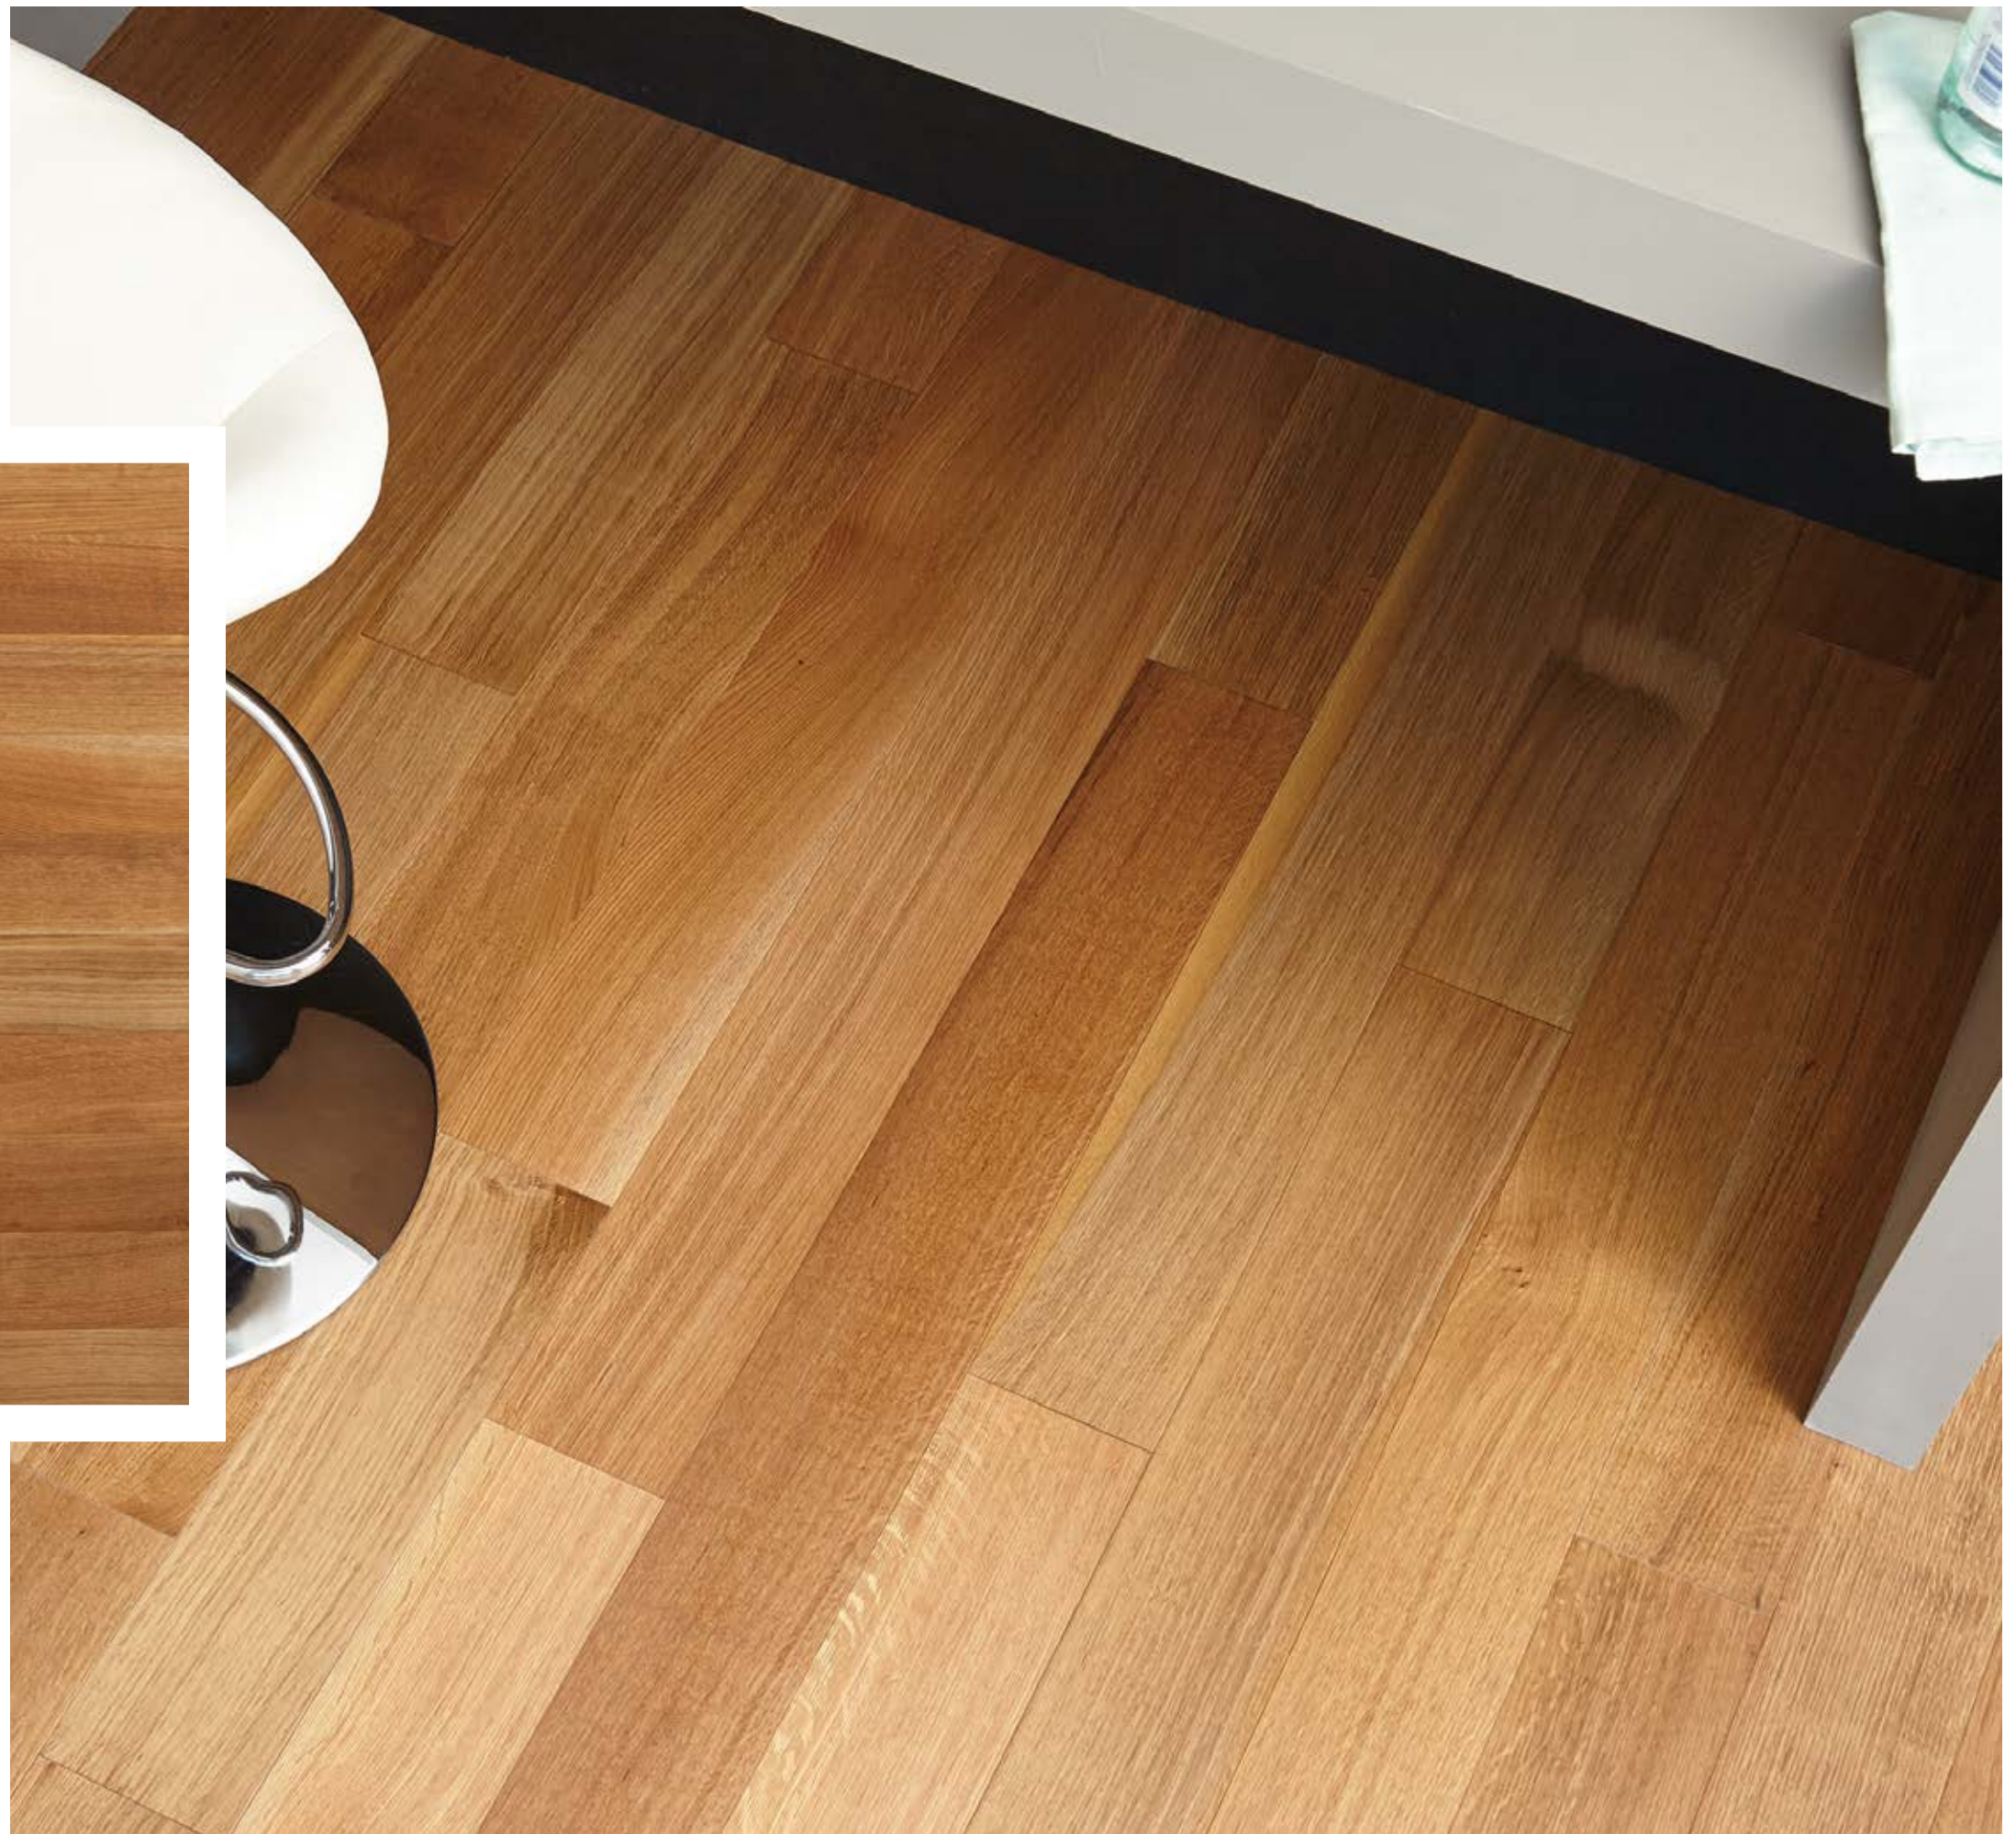

Sawn to showcase the finest grain of the tree. Nydree's specialty cut Rift and Quartered White Oak has been long admired for its distinctive grain, durability, and beauty. The result is a stunning floor that will complement any setting.

Natural

Rift & Quartered White Oak

Species: Rift & Quartered White Oak
Infused Color: Natural
Topical Stain: N/A
Available Widths: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

Centennial

Rift & Quartered White Oak

Species: Rift & Quartered White Oak
Infused Color: Natural
Topical Stain: Honey White
Available Widths: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

Cinnamon Toast

Rift & Quartered White Oak

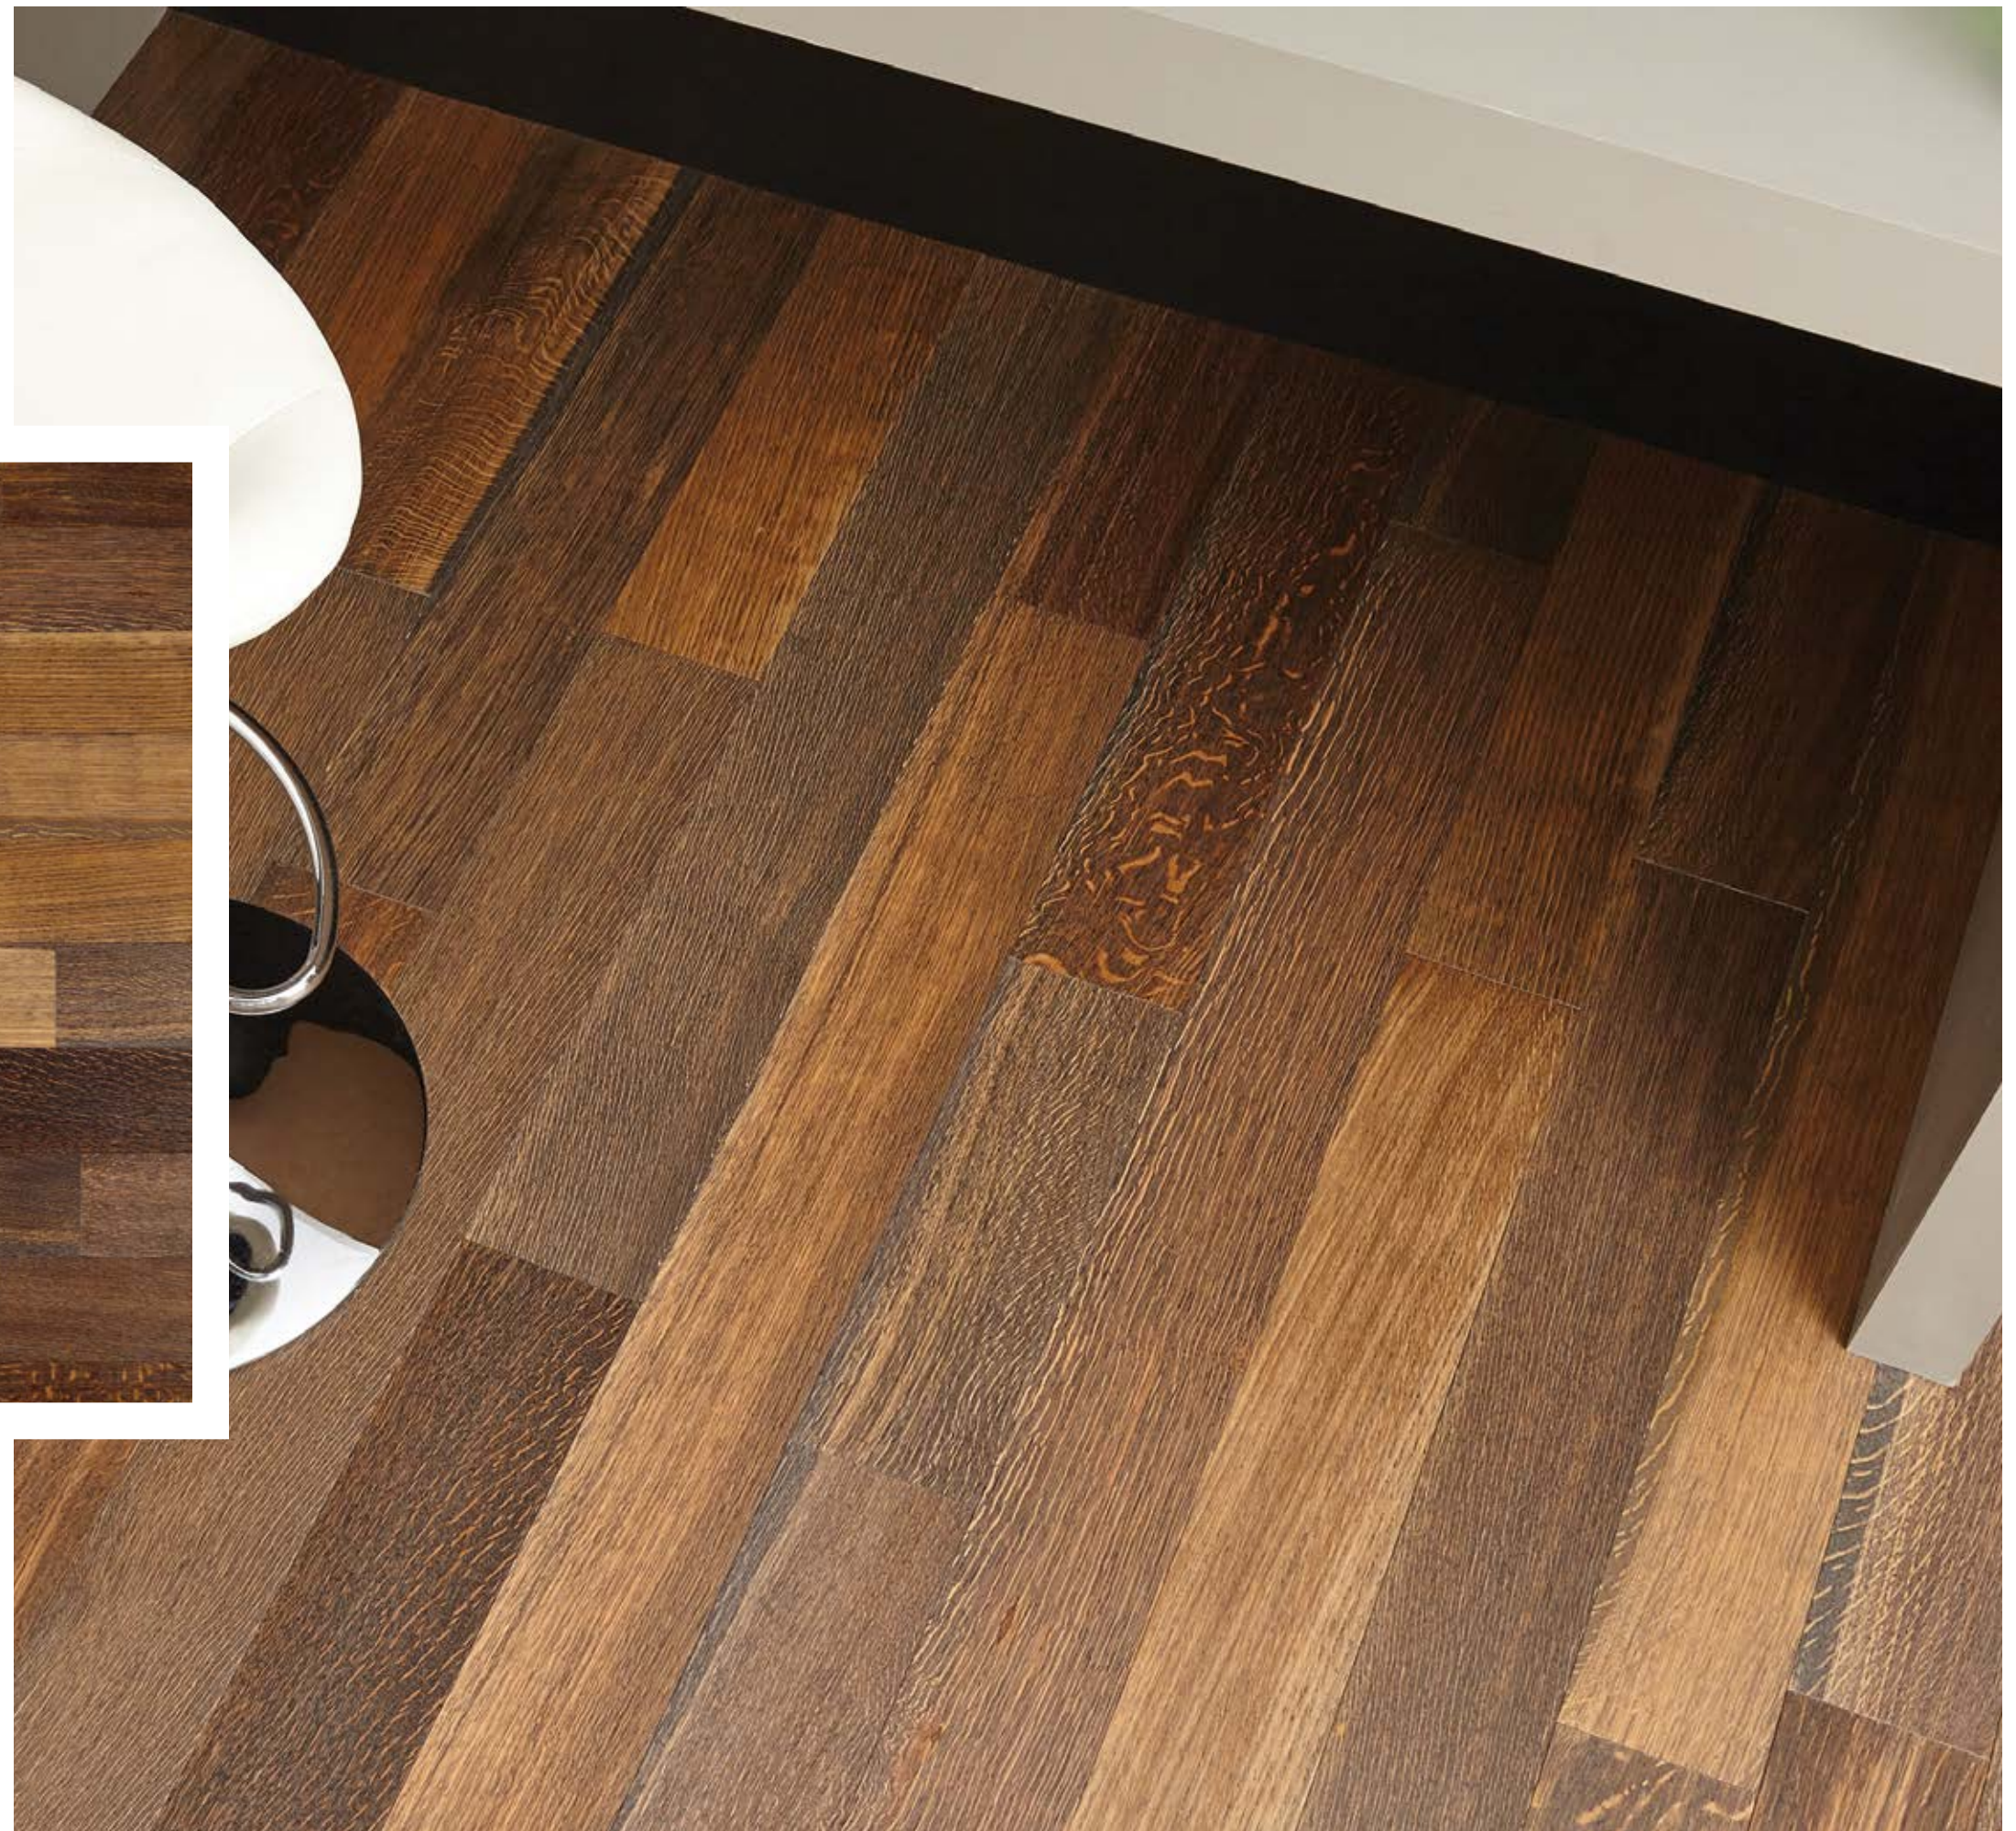

Species: Rift & Quartered White Oak
Infused Color: Havanna
Topical Stain: N/A
Available Widths: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

Starry Night

Rift & Quartered White Oak

Species: Rift & Quartered White Oak
Infused Color: Oxford
Topical Stain: N/A
Available Widths: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

Rawhide

Rift & Quartered White Oak

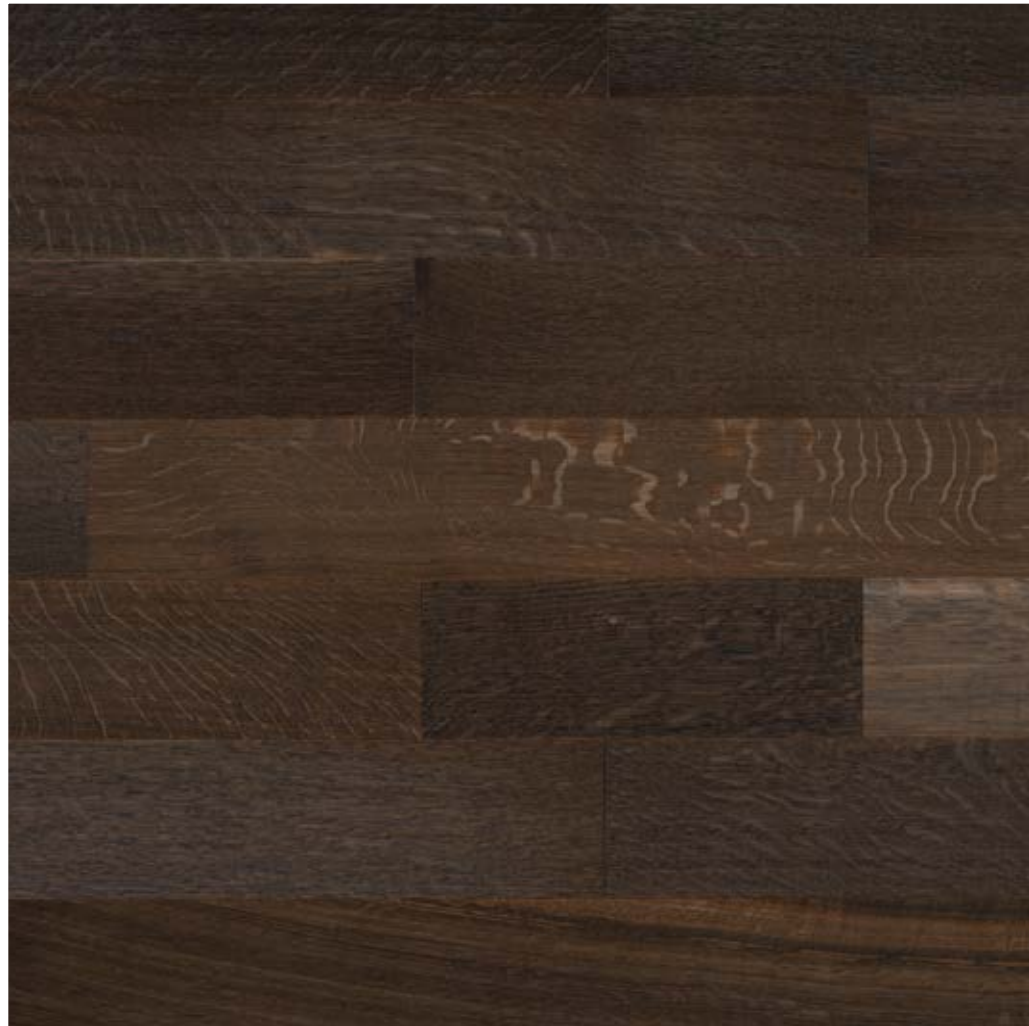

Species: Rift & Quartered White Oak
Infused Color: Natural
Topical Stain: Rawhide
Available Width: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

Bergamot

Rift & Quartered White Oak

Species: Rift & Quartered White Oak
Infused Color: Natural
Topical Stain: Bergamot
Available Width: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

Hemingway

Rift & Quartered White Oak

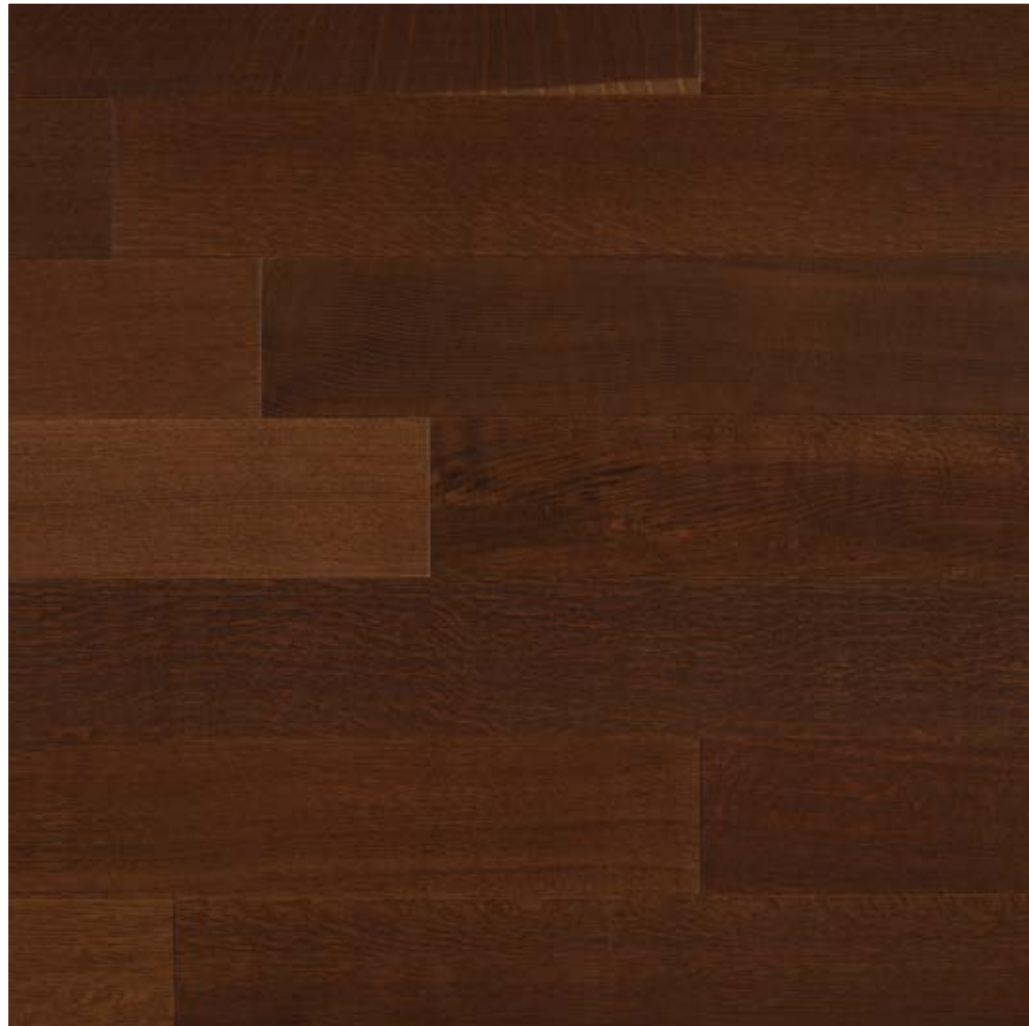

Species: Rift & Quartered White Oak
Infused Color: Natural
Topical Stain: Hemingway
Available Width: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

Sorrel

Rift & Quartered White Oak

Species: Rift & Quartered White Oak
Infused Color: Natural
Topical Stain: Sorrel
Available Width: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

Champagne

Rift & Quartered White Oak

Species: Rift & Quartered White Oak
Infused Color: Natural
Topical Stain: Champagne
Available Width: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

A close-up photograph of ash hardwood flooring planks. The planks are arranged in a staggered pattern, showing the natural grain and color variations of the wood. A white rectangular frame is overlaid on the left side of the image, containing the word "ASH" in a large, white, serif font.

ASH

Nydree Ash Hardwood Flooring offers a unique look that will enhance any space. With distinctive grain patterns combined with a light brown to natural color palette, Ash flooring is exceptional in any pattern.

Natural

Ash

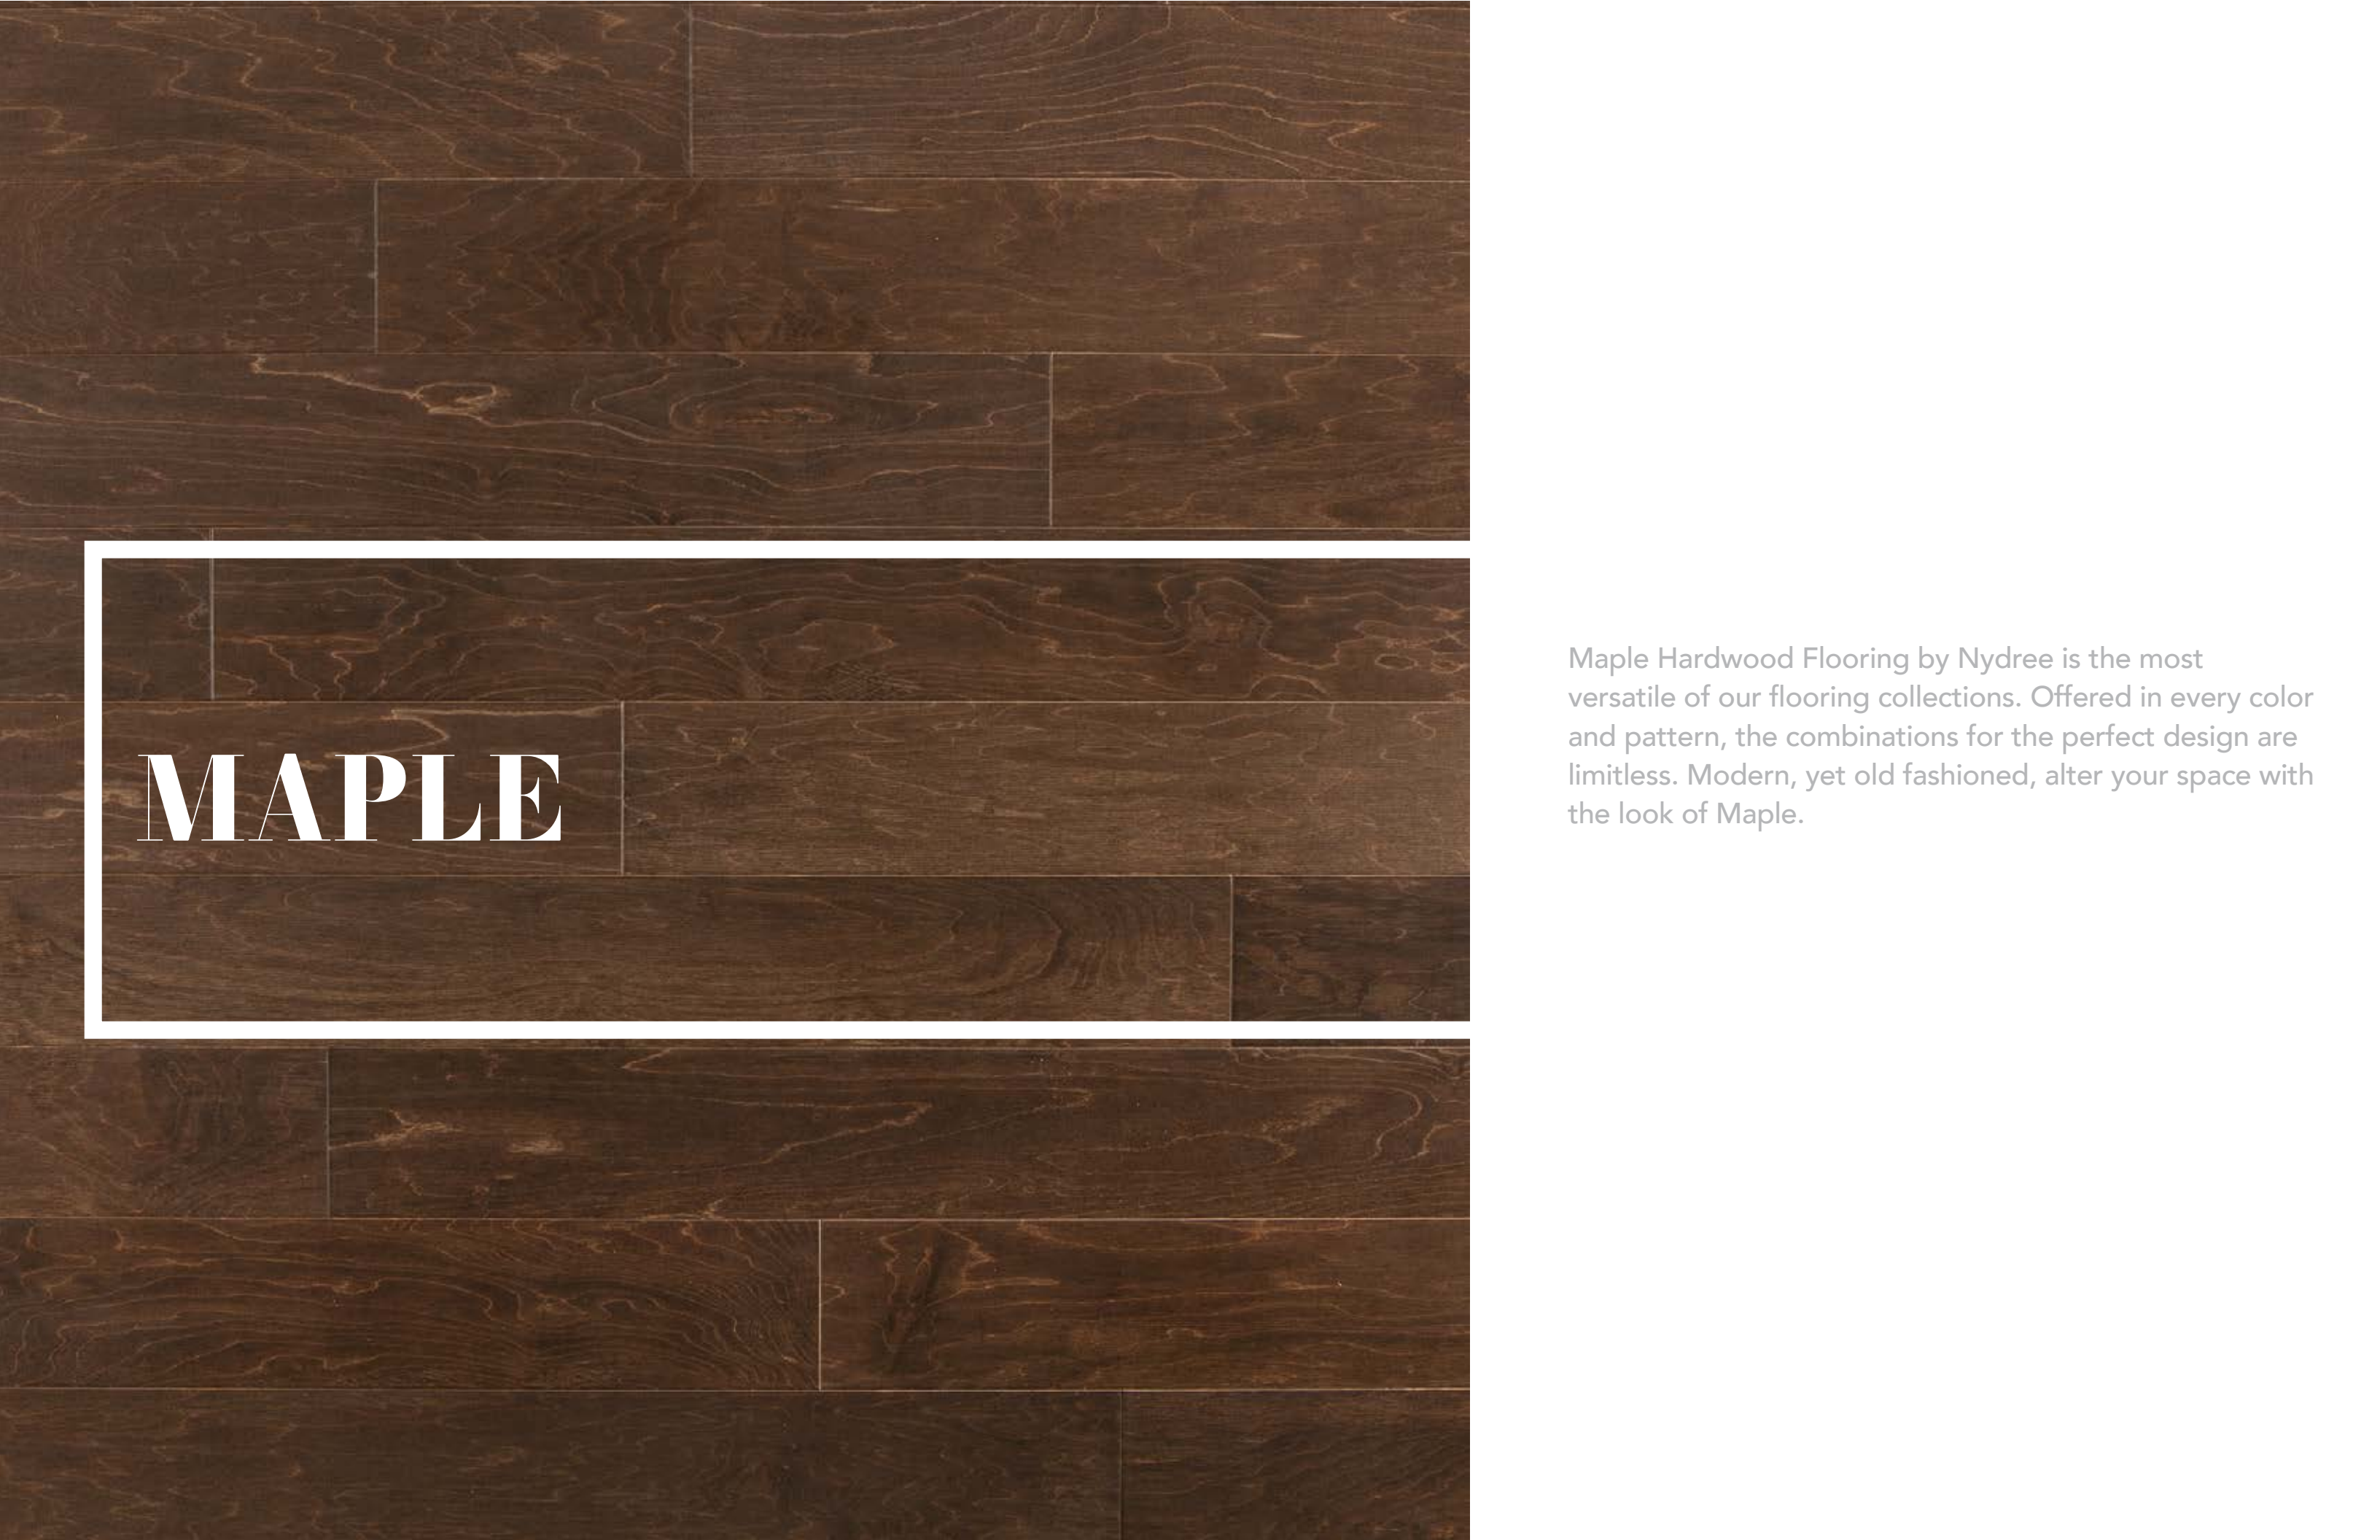

Species: Ash
Infused Color: Natural
Topical Stain: N/A
Available Widths: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

Vanilla

Ash

Species: Ash
Infused Color: Natural
Topical Stain: White Wash
Available Widths: 2 2/3", 4", 5 1/4"
Finish: Smooth, Pedestrian 2.0

The background of the entire page is a close-up, high-resolution image of dark-stained maple hardwood flooring. The wood grain is prominent, showing various patterns and textures. A white rectangular frame is positioned on the left side of the image, partially overlapping the wood. Inside this frame, the word "MAPLE" is written in a large, white, serif font.

MAPLE

Maple Hardwood Flooring by Nydree is the most versatile of our flooring collections. Offered in every color and pattern, the combinations for the perfect design are limitless. Modern, yet old fashioned, alter your space with the look of Maple.

Natural

Maple

Species: Maple

Finish: Smooth, Pedestrian 2.0

NYDREE SPECIFICATIONS

Use

Commercial/Residential flooring installations.
Note: Walnut is a softwood and is rated for light commercial traffic only. There can be a wide degree of hardness within each plank of Walnut flooring.

Recommended Installation

Glue down over concrete or approved underlayment/subfloor. Commercial installations on any grade level, provided the moisture requirements of Nydree MRA1585 installation adhesive are followed.

Engineered Construction

Wear Layer: Acrylic Infused 1/10”-thick (2.54mm) Genuine Hardwood. All wear layers are sawn cut.
Plywood Platform for Nydree Collection: 9mm (0.354”) 7-ply Marine-Grade Baltic Birch – (CARB P2 compliant).

Wide Plank Series: 12mm (0.472”) 9-ply Marine-Grade Baltic Birch – (CARB P2 compliant)
Laminating adhesive contains no formaldehyde. (Wear layer to plywood).

Standard Dimensions

Widths: 2.67” (67.7mm), 4” (101.6mm), and 5 1/4” (133.4mm)
1/2", 1" & 1.5" wide (12.7, 25.4, & 38.1mm) Accent Strips also available.

Nominal Thickness for All Widths: 7/16” Actual Thickness 0.430” (10.92mm)

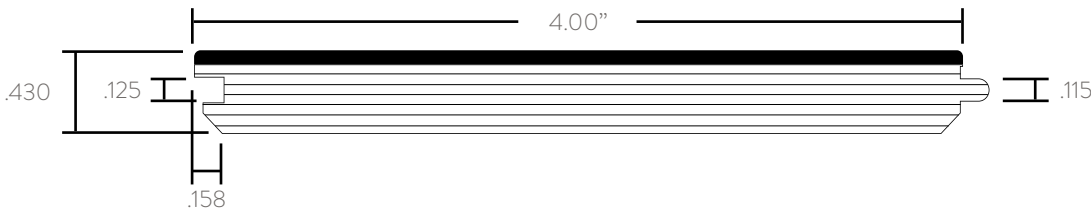

Length: 12” to 47” random (304.8 to 1193.8mm).
Custom Thickness, Widths and Fixed lengths available upon request (contact customer service).

Fixed length double-end grooved for Herringbone/Patters. Any length 14" to 16"
Fixed length double-end grooved 45° Chevron: See price list for available lengths.

Profile

Tongue and groove sides and ends with micro-beveled edges. Fixed length planks are double end grooved.

Actual Size 4” finished tongue and groove plank profile:

Wide Plank Dimensions

Width: 7.5” (190mm)
Nominal Thickness: 9/16” Actual Thickness 0.540” (13.72mm)
Lengths: 18” to 95” random (457.2 to 2413mm).
Tongue and groove sides and ends with micro-beveled edges.

Fixed length double-end grooved for Herringbone/Patters. Any length 14" to 16"
Fixed length double-end grooved 45° Chevron: See price list for available lengths.

Hardness

Acrylic infused throughout the wear layer significantly increasing Janka hardness. For example, using the Janka rating system, standard prefinished Maple scores a hardness value of 1450 psi while Nydree infused Maple measures 5,500 to 8000 psi.

Species

Plainsawn Ash, Maple, Reclaimed Oak (Contains both red and white), Walnut, R&Q White Oak and Plainsawn White Oak. Custom Species (Contact Customer Service).

Colors

In addition to the natural colored wood, 5 infused colors are utilized. The infused color is throughout the entire wear layer with the exception of a few products that are both infused and surface stained. Custom colors are available upon request (contact customer service).

Texture / Finish / Gloss

Standard Pedestrian 2.0 UV-Cured Urethane w/Ceramic particles. Low-gloss, matte finish provides excellent abrasion, scratch and stain resistance. Gloss level (60°) is 15.
TXTURE products are wire-brushed to give a coarse, dimensional surface. Gloss level (60o) is ≤10.
ASTM-D4060 Avg. Abrasion Resistance: Initial Wear Through: > 4000 cycles.
EN13329:2009 Avg. Abrasion Resistance: AC4 rating (≥ 4,000 cycles).
Custom Gloss available upon request.

Slip Resistance Index

Pedestrian 2.0 (ANSI A137.1): 0.66 ‘Dry’ and 0.57 ‘Wet’
Pedestrian 2.0 Pendulum Test (SA HB198:2014/AS 4586): 65 ‘Dry’ and 42 ‘Wet’.

Fire

All species are ASTM-E648 Class II with the exception of Maple which is Class I. All species are ASTM-E84 Class C

Environmental / LEED Info

Flooring is FloorScore® certified. Reg. # SCS-FS-02349.
Nydree Collection Flooring is FSC Mixed 78%. Wide Plank Collection Flooring is FSC Mixed 82%. FSC ID Number FSC-C100512.
Reclaimed Oak uses recycled wood veneer (28% post-consumer content).
Flooring is assembled in Karthaus, PA 16845 USA.
Flooring is made with Carb Phase 2 Hardwood Plywood that uses ULEF resins.
Flooring does not utilize any added urea-formaldehyde resins.
Nydree Collection Flooring is 3rd party HPD verified. Reg. # SCS-HPD-04521.

Warranty

Limited Lifetime Acrylic Infused Wear Surface, Limited Lifetime Structural Defect.
Pedestrian Urethane Finish Limited Wear Through: Commercial: 10 yrs., Residential: 50 yrs.

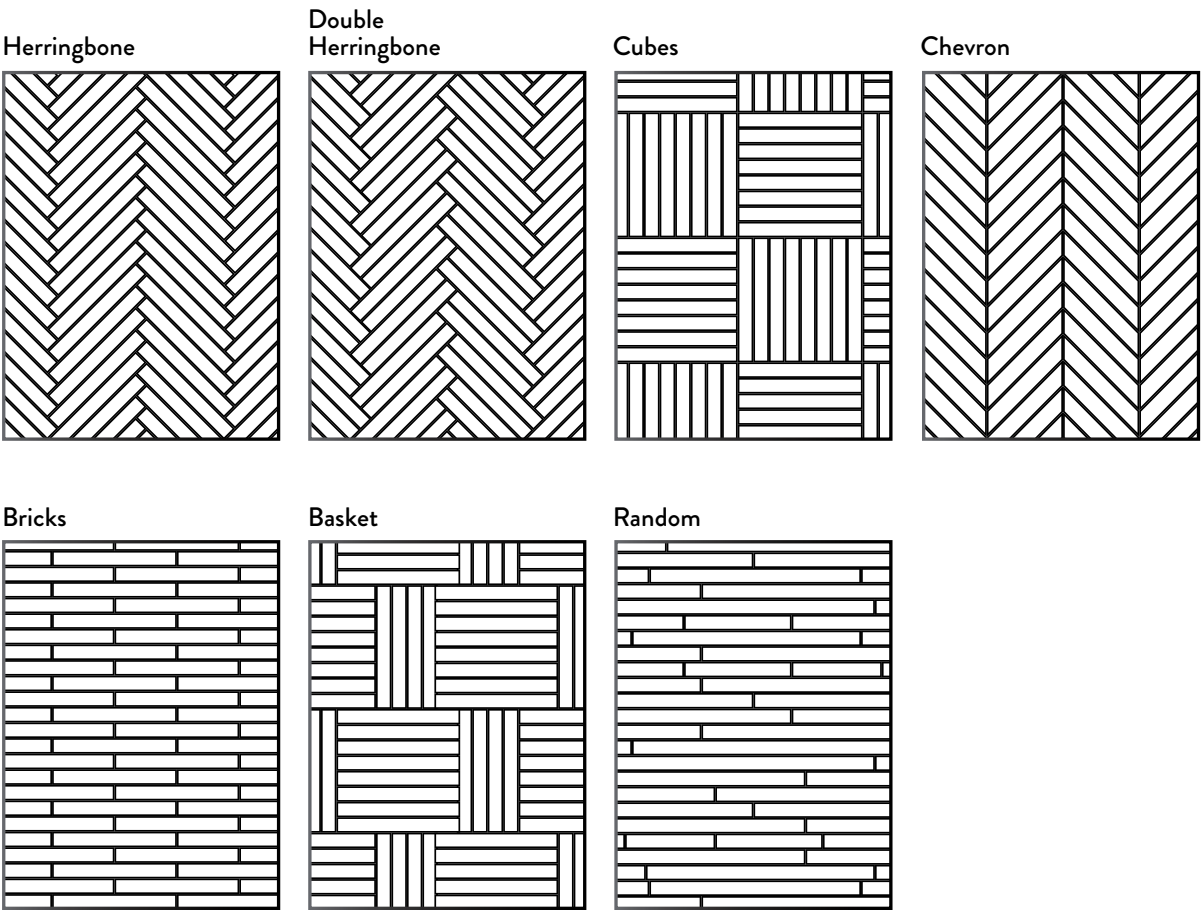

Care & Maintenance

Nydree Dust Mop Treatment and Nydree Multi-Surface Cleaner.

Accessories

Solid Hardwood, Reducers and T-molding as well as Stair Nosing, Stair Treads and Risers are infused with clear acrylic and stained to match flooring.
Quarter Round and Wall Base molding is not acrylic infused, but is stained to match as it is not a wearing surface.
XTURE product accessories are not available.

Available Patterns

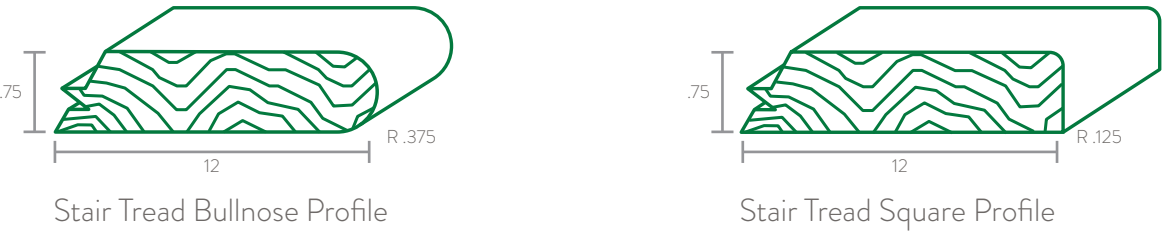

Available Accessories in 7/16" and 9/16"

Prefinished 4" Square Wall Base and 3/4" Quarter Round. Not infused with acrylic.
Stained to match color of flooring.

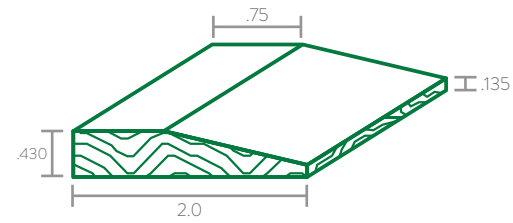

Acrylic Infused Stair Treads (3/4" Thick x 12" Wide) with either one side bullnose or square edge and Risers (3/4" Thick x 8" Wide x square edge) are also available.

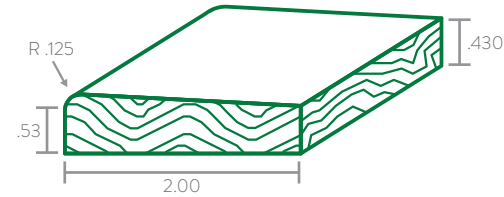

Available Accessories in 7/16"

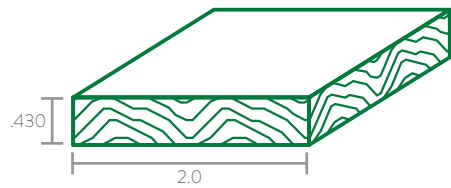

Naturally acrylic infused and stained to match flooring. Profile drawings for 7/16" (0.430mm) flooring

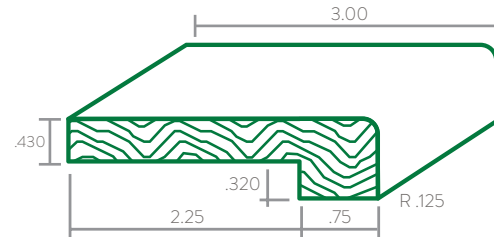

Type "A" Flush Reducer

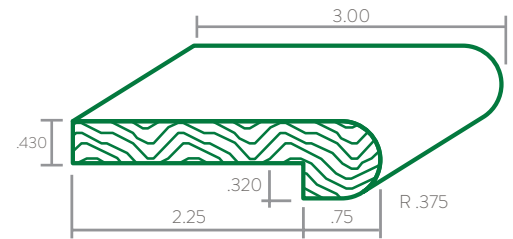

Type "B" Bi-Level Reducer

Type "C" Flat Strip

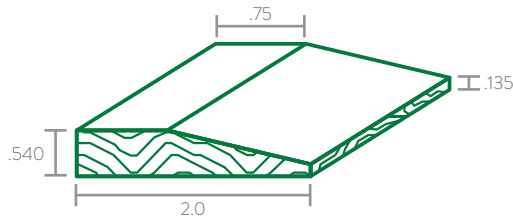

Flush Square Stair Nosing

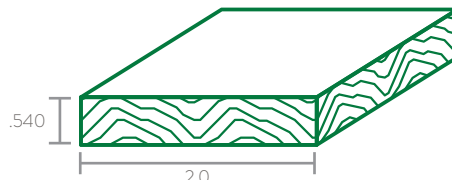

Flush Bullnose Stair Nosing

Available Accessories in 9/16"

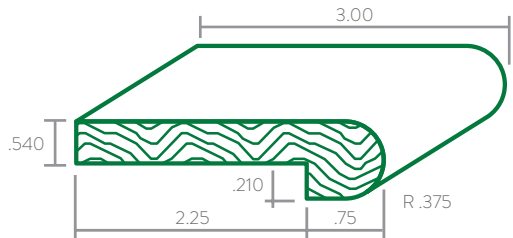

Naturally acrylic infused and stained to match flooring. Profile drawings for 9/16" (0.540mm) flooring

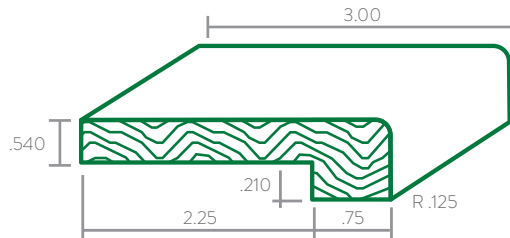

Type "A" Flush Reducer

Type "C" Flat Strip

Flush Bullnose Stair Nosing

Flush Square Stair Nosing

Design Options for 7/16" and 9/16":

Colors: All species and colors are available with the exception of TXTURE.

Species: Plainsawn Ash, Plainsawn White Oak, Maple, Red Oak (for reclaimed), R/Q White Oak, Walnut.

Options: Options include naturally acrylic infused and stained to match , solid hardwood: T-molding, reducers, transitions, stair nosing, stair treads and stair risers.

Finish: Standard Pedestrian 2.0 Finish.

Lengths: Moldings: 78" per piece.

Stair Treads and Risers: Specify desired length of either 3' or 6' pieces.

Note: All Naturally Acrylic Infused & Stained to Match, Pre-finished Floor Molding Accessories should be ordered at the same time as the Acrylic Infused Engineered Flooring. Availability is reduced and lead time lengthened if accessories are ordered separately from the flooring.

Limited Lifetime Acrylic Infused Wear Surface Warranty:

All Nydree acrylic infused wood flooring products, as well as solid hardwood floor moldings and accessories, are warranted against wear-out of the acrylic infused wear surface for the lifetime of the original installation. This warranty is made only to the original purchaser and is non-transferable.

Wear-out is defined as: Complete removal of the infused wear surface or removal of the infused wear surface down to the first glue layer of the laminated flooring product.

Limited Lifetime Structural Defect Warranty:

All Nydree acrylic infused wood flooring products, as well as solid hardwood floor moldings and accessories, are warranted against structural defects for the lifetime of the original installation. This warranty is made only to the original purchaser and is non-transferable

Structural Defect is defined as: Separation of any ply within a products multi-ply construction. Any glue separation on solid hardwood flooring accessories.

THE SOLE REMEDIES FOR BREACH OF THE LIMITED LIFETIME ACRYLIC INFUSED WEAR SURFACE WARRANTY AND LIMITED LIFETIME STRUCTURAL DEFECT WARRANTY ARE AS FOLLOWS:

THROUGH FIVE YEARS AFTER PURCHASE DATE, Nydree Flooring will supply new material of similar grade for repair or replacement of affected areas (those areas that are worn out or separated as defined above) free of charge. Nydree Flooring will also pay a reasonable labor cost for repair or replacement of the flooring. Reasonable cost means the average cost charged by contractors to install and/or repair the amount and type of flooring originally installed. This offer does not include incurred costs such as furniture removal, substrate materials and supplies.

FROM END OF FIFTH YEAR THROUGH END OF WARRANTY PERIOD, Nydree Flooring will supply new material of similar grade for repair or replacement, free of charge, but will not pay labor costs for repair or replacement. This offer does not include incurred costs such as furniture removal, substrate materials and supplies.

NYDREE ACRYLIC INFUSED FLOORING LIMITED LIFETIME WEAR SURFACE AND STRUCTURAL DEFECT WARRANTY EXCLUSIONS. THESE WARRANTIES DO NOT COVER DISSATISFACTION OR PROBLEMS DUE TO:

1. Failing to follow the recommended installation and maintenance procedures specified and provided by Nydree Flooring. Installation and maintenance instructions are available from your dealer or from Nydree Flooring Customer Service, 1115 Vista Park Drive, Suites C&D, P.O. Box 289, Forest, Virginia 24551 USA. or from the web at www.nydreeflooring.com. While alternate adhesives and maintenance materials can be used with Nydree Flooring, we strongly recommend the use of Nydree MRA1585 and Nydree Natural Floor Cleaner. When an alternate adhesive is used, any debonding or moisture-related issue associated with failure of the flooring falls back on that adhesive manufacture. Same goes with the use of alternate maintenance materials, any type of Pedestrian 2.0 finish failure will fall back on the maintenance material supplier.
2. Damage in use due to stains, scratches, gouges, cuts, indentations (heavy static point loads or high-heels), punctures, burns, accidents, discoloration (caused by tracking residue from carpet or vinyl dyes, painted or asphalt surfaces such as driveways), fading or discoloration from sunlight, excessive temperatures from radiant heating systems or any intentional misuse of product.
3. Excessive or improper sanding. Contact Nydree Flooring Customer Service for instructions before any sanding operations are performed.
4. Wear resulting from conditions other than normal residential or commercial pedestrian traffic.
5. Problems due to excessive moisture, alkaline substances, or hydrostatic pressure in subfloor.
6. Excessive wet damp mopping or floor flooding.
7. Use of the Flooring outdoors; Nydree Flooring is intended for interior use only.
8. Gloss reduction from use and the lack of walk-off mats at entry ways.
9. Color variation between samples and/or printed illustrations and actual product.
10. Splits, checks or cracks in the flooring from failure to keep installed flooring consistently above 30% relative humidity.
11. Debonding, buckling, or warping in the flooring from failure to keep installed flooring consistently below 55% relative humidity. Occasional spikes of relative humidity in the 55-85% range are acceptable, but every effort should be made to keep 30-55% relative humidity. (Use of AC and Dehumidifiers)
12. Merchandise installed with obvious defects or not in architect/designer specifications for wood species, color, width, grain, finish (gloss level) or pattern.
13. Knot holes, nail holes, worm holes, splits, heartwood, saw kerfs and colorful patina in Reclaimed Flooring.
14. Off-goods or lower grade flooring. Material purchased must be first quality or prime product.

Pedestrian Urethane Finish Limited Wear Through Warranty:

The Pedestrian UV-cured urethane finish applied to NYDREE Flooring, as well as solid hardwood floor moldings and accessories, is warranted against wear-out for ten (10) years for commercial installations and fifty years (50) for residential installations. This warranty is made only to the original purchaser and is non-transferable.

Wear-through is defined as: Removal of the urethane wear surface down to the acrylic infused surface layer.

THE SOLE REMEDIES FOR BREACH OF THE PEDESTRIAN URETHANE FINISH LIMITED WEAR THROUGH WARRANTY ARE AS FOLLOWS:

THROUGH ONE YEAR AFTER PURCHASE DATE, Nydree Flooring will supply new finishing materials for repair of affected areas (those areas that are worn out as defined above) free of charge. Nydree Flooring will also pay a reasonable labor cost for refinishing the flooring. Reasonable cost means the average cost charged by contractors to refinish the amount and type of flooring originally installed. This offer does not include incurred costs such as furniture removal, substrate materials and supplies.

FROM END OF FIRST YEAR THROUGH END OF WARRANTY PERIOD (COMMERCIAL – 10 YEARS, RESIDENTIAL – 50 YEARS), Nydree Flooring will supply finishing materials for repair of affected areas, free of charge but will not pay labor costs for refinishing. This offer does not include incurred costs such as furniture removal, substrate materials and supplies.

NYDREE FLOORING’S PEDESTRIAN URETHANE FINISH LIMITED WEAR THROUGH WARRANTY DOES NOT COVER:

1. Erosion from gravel, sand or other abrasive materials.
2. Insufficient protection under displays, furniture, or appliances.
3. All of Nydree Flooring’s **LIMITED LIFETIME WEAR SURFACE AND STRUCTURAL DEFECT WARRANTY EXCLUSIONS.**

NOTE: Nydree Flooring’s Oil Finish has no wear-through warranty. All warranties stated above are valid when Nydree flooring is used on walls or ceilings.

No representative of Nydree Flooring has any authority to change or enlarge the foregoing provisions which relate to all sales and to all goods delivered, whether sold, delivered as samples, or otherwise.

WARRANTY CLAIMS:

If you believe there is a defect in the floor covered herein, notify in writing the retailer or contractor who sold you the floor. If you are unable to contact your retailer or contractor, write to Nydree Flooring Customer Service at the address shown below. Most disputes or claims can be resolved informally between the parties. Any unresolved disputes or claims under this Warranty shall be resolved exclusively by binding arbitration in accordance with the commercial arbitration rules of the American Arbitration Association (or a similar organization) in effect at the time such arbitration is initiated. The arbitration shall be conducted by a single arbitrator agreed to by the parties and shall be limited to the dispute between you and Seller. The arbitrator shall have the authority to award the prevailing party, if any, the filing fees and administrative costs of arbitration, including the cost of the arbitrator, and reasonable attorney’s fees. Venue for such arbitration proceeding shall be Bedford County, Virginia, or such other location mutually agreed to by the parties. **ANY DECISION RENDERED IN SUCH ARBITRATION PROCEEDINGS WILL BE FINAL AND BINDING ON THE PARTIES, AND JUDGMENT MAY BE ENTERED THEREON IN ANY COURT OF COMPETENT JURISDICTION.**

WARRANTY DISCLAIMERS/LIMITATION OF LIABILITY:

THE LIMITED LIFETIME WEAR/STRUCTURAL DEFECT WARRANTIES AND REMEDIES SET FORTH HEREIN ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES AND REMEDIES. SELLER DISCLAIMS ALL OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY THE LIMITED LIFETIME WEAR/STRUCTURAL DEFECT WARRANTY AND REMEDIES SET FORTH ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES AND REMEDIES. SELLER DISCLAIMS ALL OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL SELLER BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES OF ANY KIND, NO MATTER WHAT THE CAUSE.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.

If any product to which this Limited Warranty applies is a consumer product under the Magnuson-Moss Warranty Act (15 U.S.C.A. §2301, et seq.) or other applicable law, the foregoing requirements for binding arbitration and disclaimer of implied warranties shall not apply, and such implied warranties and remedies shall apply as provided under applicable law.

THIS WARRANTY SHALL BE GOVERNED BY THE LAWS OF THE COMMONWEALTH OF VIRGINIA AND ANY APPLICABLE FEDERAL LAWS. ANY ACTION OR PROCEEDING ARISING OUT OF THIS WARRANTY SHALL BE BROUGHT EXCLUSIVELY IN A COURT OF COMPETENT JURISDICTION IN BEDFORD COUNTY, VIRGINIA.
