

Gallery Platinum Glossy 2 9/16" x 8 7/16" x 5/8"

Chelsea Metallic

Metallics are more fun where they are least expected.

For example, as the glossy, saturated glazes on this rustic brick-shaped tile. It's exactly the kind of finish and nuance you'd expect to see in Manhattan's famed Chelsea neighborhood, steeped in history yet home to the city's most esteemed and avant-garde art galleries, the groundbreaking, art-filled High Line park and the cutting-edge architecture that has popped up all along its elevated rails. This is the inspiration, what you do with it is only limited to your imagination.
