Las Palmas Collection

Product Featured: 6" Hexagon in Copeland Taupe

Las Palmas

Palma is a stunning city in Spain rising atop hues of apricot, honey and henna colored stone from the broad waters of the Badia de Palma. In Mediterranean alleys, alongside terracotta colored balconied homes, you will find beautifully glazed terra cotta accents on the exteriors and entryways that simply enchant!

Our Las Palmas Collection is rendered in 8 historically inspired patterns and lustrously glazed in over 30 different colors.
