

Mannington Commercial's Education Solutions program is a unique resource for the benefit of facility directors and the students, administrators and employees that you serve. Mannington Commercial is your partner for flooring solutions to enhance every learning space. Our group of dedicated designers are ready to help you craft a flooring design that fits the specific needs and challenges of your project.

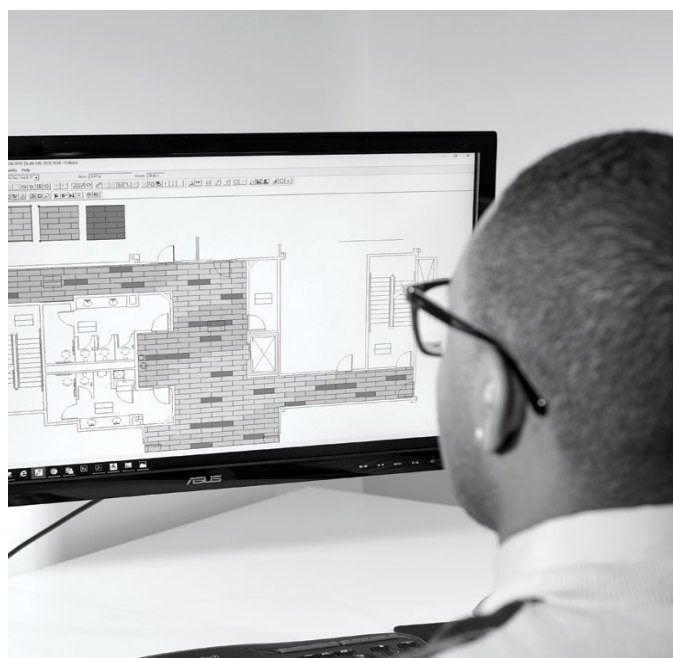

Program Overview

Education Solutions provides ideal flooring layouts, from concept to installation plan, for one room or an entire facility. Special consideration is given to insure that even the complex installation configurations can be installed seamlessly by an authorized Education Solutions Dealer Partner.

With experience in interior, graphic and textile design, our team of designers can help define the vision for your space and guide you through the process of choosing the right products from our portfolio: Carpet, Luxury Vinyl Tile, Sheet Vinyl, Non-vinyl Resilient, Rubber Tile and Wall base.
