ecooustic® Gravura Tiles are produced with 100% PET Solid Color material enhanced with a peel-and-stick backing for easy DIY installation. Available in two interchangeable patterns and 15 color-ways, Gravura tiles provide a quick and versatile sound-absorbing solution for today's changing interior needs. Both patterns of Gravura are easily matched and integrate seamlessly with each other. The tiles may be positioned for up to 10 minutes after initial installation. ecooustic® Gravura tiles achieve a NRC rating of 0.40.
