CLASSIC NEUTRALS

Artistry Collections

Artistry Collections bring the best of Wilsonart to the home. Curated by the finest designers in the world, they are selected with the whole space in mind. Through innovation, creativity, and possibility, we've brought together colors, textures, and surface varieties, all designed to elevate and inspire.

CLASSIC NEUTRALS

This extraordinary palette brings in established designs in emerging trends to all the spaces in your home. Be confident in your choices while in our Artistry Collection of Classic Neutrals. Imagine the endless applications at your fingertips.

- Countertops/Vanities
- Islands
- Backsplashes
- Walls
- Furniture
- Closets
- Cabinets
- Ceilings
- Accents
- Toe kicks
- Doors
- And so much more

Whatever you can imagine, we have a surface for you. Our Classic Neutrals Curated Collection takes the guesswork out of designing a world-class space.

Our surfaces are
everywhere.

Engineered surfaces. Inspired by nature.

At Wilsonart, we are inspired by the world around us. We take the very best of nature — its colors, its shapes, its textures — and then we mimic it through innovative engineered surfaces designed to outperform nature, while having minimal impact on our planet.

Emerging trends.
Established
designs.

With engineered surfaces, there are no limits. Use your imagination to redefine a space that was once uninspired. Make your ideas come alive.

Wetwall™
— A WILSONART COMPANY —

Water-proof surfaces.

Whenever designing a room that needs amazing design, functionality and ease of application, our surfaces deliver. Laundry. Utility. Kitchen. Bath. Mudroom. Wherever design meets water.

Our inspiration. Your choices.

Creativity. Durability. Design. Functionality. Our surfaces provide nearly endless possibilities. Quartz, Solid Surface, Laminate, Metals, and more. We are engineered surfaces at its very best: dream surfaces, built for the real world. Creating an extraordinary result with surprising applications for your entire home.

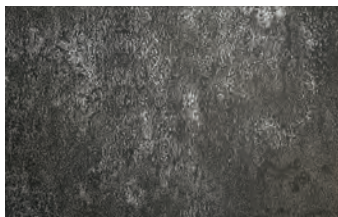

Mixing materials.

Your favorite spaces, created with no limits. Here, we combine the deep texture of wood grain with the bright attractive qualities of a striking backsplash. And then add a Solid Surface farmhouse sink. It's all Wilsonart. And it's all you.

Go ahead.
Give it a touch.

Our unique Traceless® Surfaces are designed to give a soft velvet touch while resisting fingerprints. So go ahead, try and leave your mark. Our surfaces are designed for life. Now design away.

A splash of
creativity.

At Wilsonart, we've taken backsplashes to the next level. Elegant. Eye-catching. Room-defining. So simple you don't even need grout. Make a statement.

Vertical applications you've been waiting for.

For those spaces and places that can define a vision, it's time to think beyond the ordinary. Go vertical. Be bold. Be experimental. Be you.

Walls.

Bringing interest, color, and ease to walls. Capable of beautifully defining an entire room.

Horizontal surfaces you can trust.

Any application. All possibilities. Laminate delivers on the promise of high design and high function. This engineered surface goes beyond imagination. It is created to perform every single day.

Countertops.

Giving you unique colors, room-defining designs, and engineered toughness.
