Syncron[®] by ALVIC
structured panel LINE

- The SYNCRON collection is the result of our vertical integration in manufacturing and control of every aspect in the thermofused melamine board production.
- The SYNCRON surface provides realistic texture designs with several options for registered finishes, meaning a complete match between texture and design.
- The SYNCRON collection offers a deep and complete range of wood grains, stone, marble, textiles, leather, concrete and oxide finishes that provide a natural and organic feel to any furniture element or commercial project.
