Feel the innovation

Feel the innovation

ALVIC makes available to **designers, architects &interior designers** their current designs that will help to determine the trends of the upcoming years. High gloss finishes, matt, metallic and natural textures also reinforce each category by giving it a high decorative level.

TREND BOOK by ALVIC reflects what inspires us: unique people with their own lifestyles and preferences for decorating spaces and the nature with its diversity of materials, surfaces and tones.

Our products **LUXE, LUXE PLUS, ZÉNIT & SYNCRON** are presented in different options, panel format or finished components with application in all kinds of furniture and decorative projects.
