Maintenance: Lamin-Art® general purpose high-pressure decorative laminate may be cleaned with a damp cloth, warm water, and a mild soap or household cleaning products. Cleansers that contain abrasives, acids, or alkalis may damage the decorative surface and are not recommended. Stubborn stains may require the use of hypochlorite bleach followed by a clean water rinse.

Diamond Finish (D)
A polished, high-gloss finish for a refined, elegant effect.

Vellum Finish (E)
A parchment like, matte finish, that is soft to the touch.
