## CIRCULARITY

We fully commit to be part of a no waste future.  
Our engineer material is fully circulated.

Each 1800 x 600 Textile Tabletop recycles the equivalent of 20 jeans.  
Imagine how you could contribute towards positive change.

We are certified to the GRS, which certifies recycled material from the source to final product.

Stelapop as a responsible brand understands its commitment towards the textile waste and processes and takes all measures to ensure a healthier, cleaner world.
