

with ***no fingerprint*** finish

ultraMatte

solid color laminates

The 17 beautiful colors that make up the new **UltraMatte Solid Color Series** by Lab Designs is just the beginning. What truly sets the series apart is the revolutionary ***no fingerprint finish*** ensuring smudges and streaks are virtually unseen. These laminates are perfect for the most demanding applications including institutional and hospitality tabletops, cabinets and desks. These solid-core laminates are easy-to-clean and have a luxurious silky texture.
