

THE
AURA
COLLECTION

Textiles – Wallpapers – Accessories

We like elements in interior design which create an experience of an object that looks back at you, rather than overwhelming you. With a sense of Zeitgeist, the ‚Aura‘ collection refers to a kind of aesthetic presence of art which embraces the authority held by the unique and original work. This unique and exciting wallpaper line investigates the relationship with luminosity, discovers walls in a new way and explores the theme of light in an inspiring and poetic manner.

Ein wesentliches Element in der Inneneinrichtung ist das Erleben eines Objektes – anstatt beim Anblick zu überwältigen, soll es den Betrachter inspirieren. Mit einem Gespür für den Zeitgeist bezieht sich die ‚Aura‘-Kollektion auf eine ästhetische Präsenz von Kunst, die die Autorität des einzigartigen und originellen Werks umfasst. Die moderne und spannungsvolle Tapetenkollektion experimentiert und erforscht das Thema Illumination auf eine inspirierende und poetische Weise.
